Heart Disease No More! , Ending the AIDS Myth, Adventures In Manifesting Sarah Prout, Sean Patrick Simpson, 2011 **Hear The Whispers, Live Your Dream** Andreas Moritz, 2009-06 Moritz explains how to open to the wondrous fullness of selfhood without reservation and without judgment Diabetes - No More! **Disease!** Andreas Moritz, 2009 Author and health expert Andreas Moritz proves the point that cancer is the physical symptom reflecting our body s final attempt to eliminate specific life destructive causes He claims that removing such causes sets the precondition for complete healing of our body mind and emotions This book confronts you with a radically new Vaccine-Nation Andreas Moritz, 2011-03 Author of understanding of cancer one that outdates the current cancer model a dozen books including the bestselling Timeless Secrets of Rejuvenation and Health and Cancer is Not a Disease Andreas Moritz takes on yet another controversial subject this time to expose the Vaccine Myth In Vaccine nation Moritz unravels the mother of all vaccine lies that vaccines are safe and they prevent disease Furthermore he reveals undeniable scientific proof that vaccines are actually implicated in most common diseases today This book reveals Statistical evidence that vaccines never actually eradicated infectious diseases including polio How childhood vaccines flu shots and other kinds of inoculations systemically destroy the body s immune system The massive increase of allergies Eczema Arthritis Asthma Autism Acid reflux Cancer Diabetes infant and childhood Kidney disease Miscarriages many Neurological and Autoimmune diseases and Sudden Infant Death Syndrome SIDS is largely due to vaccines Why vaccinated children have 120% more Asthma 317% more ADHD 185% more Neurologic disorders and 146% more Autism than those not vaccinated The shocking fact that most outbreaks of infectious diseases occur largely among those who are fully vaccinated Vaccines lack long term safety testing and most vaccine side effects are never reported to protect vaccine makers from liability suits For many decades we have all been led to believe that vaccines have eradicated the most dreaded infectious diseases including polio although to this day there is no scientific evidence to support this theory On the other hand indisputable scientific data reveal that childhood vaccines flu shots and other kinds of inoculations are responsible for the dramatic decline of natural immunity among millions of children adults and members of the older population With each new shot received the immune system becomes weaker and permanently damaged thereby laying the ground for potentially debilitating illnesses to develop in the future Reaching deep into the vaccine cartel Moritz uncovers hard facts to prove that profit not public health is the sole motive behind the vaccine pushers chicanery In this book he also digs up the real reasons behind the 2009 swine flu outbreak or the pandemic that didn t pan out In Vaccine nation Moritz minces no words while unraveling these and other skeletons in Big Pharma s closet and cautions you not to buy into the hollow claims of vaccine makers In his characteristic style Moritz offers a gentle and practical approach to a disease free life which rests on the fulcrum of the mind body connection cleansing of the body and naturally healthy living Heal Yourself with Sunlight, High Frequency Health Lee Bracker, 2011-11-11 High Frequency Health covers a wide range of nutritional and disease related issues including the best diet philosophy natural treatments for
