The Devil's World Heresy And Society 1100 1300 1st First Edition:

Inquisitors and Heretics in Thirteenth-Century Languedoc Peter Biller, Caterina Bruschi, Shelagh Sneddon, 2010-11-19 In the study of inquisition and heresy in Languedoc the late thirteenth century is a dark hole This book redresses this providing an edition and translation of depositions of heresy suspects interrogated in Toulouse 1273 82 preserved in a copy of 1669 The book's introduction investigates the history and reliability of this copy and together with the edition illuminates the inquisitors and scribes who produced the original register The edited text shows a Cathar hierarchy in exile in Italy a Cathar revival in Languedoc and its destruction by a re-launched inquisition Inquisitors questioning led to depositions which are extraordinarily colourful and lively and in this they anticipate the circumstantial detail of the early fourteenth century depositions upon which Le Roy Ladurie's famous Montaillou was based

Famous Battles and How They Shaped the Modern World Beatrice Heuser, Athena S. Leoussi, 2018-08-30 Why are some battles remembered more than others Surprisingly it is not just size that matters nor the number of dead the decisiveness of battles or their effects on communities and civilisations It is their political afterlife the multiple meanings and political uses attributed to them that determines their fame This ground breaking series goes well beyond military history by exploring the transformation of battles into sites of memory and meaning Cast into epic myths of the fight of Good against Evil of punishment for decadence or reward for virtue of the birth of a nation or the collective assertion against a tyrant the defence of Civilisation against the Barbarians Christendom against the Infidel particular battles have acquired fame beyond their immediate contemporaneous relevance The epic battles of European history examined in this first volume range from the siege of Troy and the encounters of Marathon and Thermopylai to the wars of the Israelites which inspired the way many later battles would be narrated and from the triumphs and defeats of the Roman Empire to Hastings the massacre of Bziers and the battle of Courtrai In each chapter the historical events surrounding a battle form the backdrop for multi-layer interpretations which consciously or unconsciously carry political agendas
