for the guidance of teachers.

0580/11

0580 MATHEMATICS

Paper 1 (Core), maximum raw mark: 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners made judgements on awarding marks. It does not include the details of the discussions that took place at an Examiners' meeting before marking begins, which would have considered the acceptability of alternative answers.

Mark schemes must be read in conjunction with the question papers and the report on the examination.
