

The Awakening Study Guide

CHAPTER I Vocabulary

chamomile – a plant

gaunt – thin, bony

lugger – a small boat with a sail

quadroon – a person who has one African-American grandparent

1. Explain how the parrot and the mockingbird are used to introduce this chapter.

They provide disruptive sound images. The parrot is saying, "Go away! Go away! For Heaven's sake!" The mockingbird whistles with "maddening persistence."

2. Describe Léonce Pontellier.

He appears to be a successful New Orleans businessman. He is neat and orderly in appearance and has an impatient manner. He and his wife, Edna, and their two children are vacationing at Grand Isle for the summer.

3. What does the following quotation tell you about Léonce's attitude toward his wife? He looked "at his wife as one looks at a valuable piece of personal property which has suffered some damage."

He considers her as property, not as a person; he also considers the appearance of his possessions as very important.

4. Who is Robert Lebrun?

He is the son of Madame Lebrun, the woman who owns the main house and the cottages that make up the summer resort at Grand Isle.

5. Discuss the use of the following sounds in Chapter I: the other birds, the piano, Madame Lebrun, the children, Edna, and Robert.

- *The birds are "chattering and whistling."*
- *The young girls are playing the piano.*
- *Madame Lebrun's "bustling in and out, giving orders in a high key."*
- *The Pontellier children are playing.*
- *Edna and Robert return from the beach, laughing and talking.*

6. How do these sounds indicate something about the setting of the novel?

They suggest a warm, pleasant, carefree, summer day.

7. What indications are there that the Pontellier marriage is strained?

Léonce takes Edna for granted, seeing her as a part of his neat, orderly world. He seems unconcerned about the shared familiarity between Edna and Robert. Léonce and his wife speak only in passing; he leaves for Klein's and perhaps a game of billiards rather than spend time with her.

The Awakening Study Guide Questions And Answers

Kate Chopin

The Awakening Study Guide Questions And Answers:

Study Guide to The Awakening by Kate Chopin Intelligent Education,2020-02-15 A comprehensive study guide offering in depth explanation essay and test prep for Kate Chopin s The Awakening one of the earliest American novels that focuses on women s issues without condescension As a feminist novel of the American South at the end of the nineteenth century The Awakening highlights individual expression and freedom and what the desire for it can cost the person who wants it Moreover Chopin was reviled and ostracized by polite society in St Louis because of the actions of The Awakening s main character This Bright Notes Study Guide explores the context and history of Chopin s classic work helping students to thoroughly explore the reasons it has stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research [The Awakening Thrift Study Edition](#) Kate Chopin,2012-04-10 Includes the unabridged text of Chopin s classic novel plus a complete study guide that features chapter by chapter summaries explanations and discussions of the plot question and answer sections author biography historical background and more **Lazarus Awakening Study Guide** Joanna Weaver,2015-07-21 Do you feel trapped in a tomb of regret doubt or fear Are you tripped up by patterns and behaviors you need to leave behind It s time to come forth with this eight session companion guide Just as Jesus called Lazarus from darkness He is calling you to come out of the false beliefs and habits that keep you from receiving His unconditional love He is calling you to know deep in your spirit that God not only loves the world He loves you This eight session study guide for use with Joanna s book and companion video content available separately is designed to draw you deeper into the historical and spiritual truths we learn from the story of Lazarus a friend called out from death into the life giving arms of Jesus Eight sessions of video content taught by Joanna and filmed in the Holy Land are also available on DVD or by online streaming [Study Guide for Fundamentals of Nursing](#) Patricia A. Study Guide and Workbook to Accompany
Zimbardo and Weber's Psychology, Second Edition Peter C. Gram,Philip G. Zimbardo,1997 Psychology Third Edition builds upon the experience and reputations of Phil Zimbardo and Ann Weber with the addition of a new co author Bob Johnson who has a wealth of teaching experience at the community college level This briefer less expensive book presents psychology in a meaningful manageable format that focuses on the key questions and core concepts of psychology Introductory psychology covers such a wide range of topics and issues that it becomes difficult for readers to see the forest for the trees To make key psychological concepts more meaningful the authors found inspiration in a classic chess study This study showed that experts did no better than novices at remembering the location of pieces on a chess board when they were placed randomly Only when the patterns represented actual game situations did they make sense and therefore become more easily memorable for the experts Clearly meaningful patterns are easier to remember and understand than random arrangements and Psychology applies this by presenting the field of psychology in meaningful patterns to enhance comprehension These concepts are then applied to readers own lives study skills and the world around them Finally Psychology integrates a cross cultural and multicultural perspective to make psychology meaningful for everyone For anyone interested in Introductory Psychology
