Patriarchal Lineages in 21st-Century Christian Courtship Elizabeth L. Shively, 2020-08-10 Drawing from a study of courtship media and ethnographic work at purity retreats and home school conventions across the Midwest this is the first inquiry into modern Christian courtship an alternative to dating that asks young people to avoid both romance and sex until they are ready to be married Bridging sociological and historical studies of American Christianity with youth and girlhood studies literatures Elizabeth Shively finds that the courtship system is designed to shore up the patriarchal nuclear family structure at the center of conservative Christianity and ensure predictability in the face of emerging adulthood single young women work to embody ideals of luminous femininity and model themselves after archetypes such as the Proverbs 31 woman the stay at home daughter and the mission minded girl and courting couples strive to guard their hearts against premature emotional intimacy Nonetheless participants report that courtship like other relationships inevitably carries an element of risk and it ultimately fails to offer a substantial challenge to the to the sexist realities of youth dating culture **The**

Complete Guide to Christian Quotations Compiled by Barbour Staff, 2011-06-01 A great quotation can provoke thought brighten a day even change a life and here are more than 6 000 great quotes from the wide world of Christianity This brand new compilation of quotations both ancient and modern features nearly 500 categorized topics both biblical and contemporary from Abiding through Zeal with cross references and subject and author indexes Featuring quotations from the early church fathers through the 21st century's best writers *The Complete Guide to Christian Quotations* is ideal for speakers writers and book lovers who can find great leads on worthy volumes *Criticizing Science* Myrna Perez, 2024-12-17 How Stephen Jay Gould's career illustrates that criticizing science is important for American democracy The question of public trust in science feels newly urgent but today is not the first time that opposing ends of the American political spectrum have

critiqued modern science This dynamic has historical roots in the early 1970s when critiques of science emerged simultaneously out of Civil Rights feminist and decolonization movements on the left as well as within the creationism of the Christian Right In *Criticizing Science* Myrna Perez follows the public career of evolutionary biologist political leftist and anti creationist Stephen Jay Gould during the final decades of the American twentieth century Gould believed that denaturalizing scientific objectivity could be part of the greater work of racial and gender justice in the United States Perez shows the promises and limitations of Gould's view most famously expressed in his 1981 book *The Mismeasure of Man* that the collective self reflection on the history of scientific bias would lead to a better less oppressive science She argues that we must instead contend with the radical possibilities that are opened by working for a resolutely democratic science By centering Gould Perez clarifies divides among left liberal and right wing movements over evolutionary science during the rise of the Christian Right and the expansion of academic feminism These divides continue to shape contemporary debates over climate change vaccines abortion policy and the nature of gender in present day American politics

One by One Gina Dalfonzo, 2017-06-20 There are now more single adults than married adults in the United States yet the evangelical church continues to focus primarily on serving couples and families with ministries geared toward their particular needs This can lead however unintentionally to the marginalization of adults who are single by choice divorce or death or who are simply not yet married Families are a good thing but so are all of God's people and singles long to be lovingly integrated into the Body of Christ In *One by One* Gina Dalfonzo explores common misconceptions and stereotypes about singles including the idea that they must be single because something is wrong with them and the subtle and not so subtle ways they are devalued like when sermons focus overmuch on navigating marital relationships or raising children She shows how the church of Paul who commended those who remained single became the church where singles are too often treated like second class Christians Then she explores what the church is doing right what unique services singles can offer the church and most importantly what the church can do to love and support the singles in their midst

Dicks' Complete Edition of Shakspeare's Works William Shakespeare, 1884

Rape Culture on Campus Meredith Minister, 2018-09-15 *Rape Culture on Campus* explores how existing responses to sexual violence on college and university campuses fail to address religious and cultural dynamics that make rape appear normal dynamics imbedded in social expectations around race class gender sexuality and disability Rather than dealing with these complex dynamics responses to sexual violence on college campuses focus on implementing changes in one time workshops As an alternative to quick solutions this book argues that long term classroom interventions are necessary in order to understand religious and cultural complexities and effectively respond to this crisis Written for educators administrators activists and students *Rape Culture on Campus* provides an accessible cultural studies approach to rape culture that complements existing social science approaches an intersectional and interdisciplinary analysis of rape culture and offers practical classroom based interventions
