### Description

The enchanting tale of mischief and myth—inspired by West African folklore—that became a fantasy classic, from the award-winning author of *The Blue, Beautiful World*. Paama is a marvelous cook who's had the bad fortune to marry Ansige. He was the least eligible bachelor in his village: self-centered, foolish, and food-obsessed. Paama has had enough of this miserable life with her gluttonous husband, and so leaves him to return to her old life with her family. But Paama does not know that this is the beginning of a remarkable adventure. Because the Undying Ones are watching her. These spirits observe the follies of mortal life . . . and sometimes meddle and make mischief. One of these beings presents her with a magical artifact known as the Chaos Stick, which he says is "great for stirring things up." As Paama gets to know the powers of this marvelous gift, she learns that the Chaos Stick was stolen from a rival spirit, who decides to stir up some trouble.
