their Elves and keep their organizations running The galaxy's people great and small need help and guidance For some Elves that means having to rely on themselves and not their Disciplines All must find innovative ways to keep the galaxy from disintegrating into chaos The fabled Key Stones are the Elves last hope to save the Mission and return to their home But they are not the only ones on the hunt for the mysterious objects Returning from the stranded Eureka the Elfin ship Vega resumes the search for the Key Stones while being pursued by the sinister Shinsei a Rune Master who has been plotting in the shadows and is revealed to be the mastermind behind Emiko and the rival of Merlin Kyanite Astro a young elf struggling with basic Rune control and his own identity will be forced into a face off with Shinsei that will ultimately determine the fate of the Elves and the galaxy

About the Magi Charter series For over two thousand years the legend of Santa Claus has endured His is a Mission of peace as outlined in the Magi Charter given to the first Santa by the Child From humble beginnings following that First Christmas the Santa lineage has been passed down through the ages This epic adventure tells the story of those Santas from the founding of the North Pole and the origin of the ancient elves to our modern times where the world's problems affect even those in the secluded complex of the North and concluding in the distant future which finds Santa and the elves committed to their mission on a galactic scale where Christmas traditions are barely recognizable In every era those committed to the Mission must find a way to deliver that which is needed most to those most deserving Billboard, 1995-01-07 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard*, 1995-01-07 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

The Elf Revelation - Book Nine of the Magi Charter Jordan David, It's been a long journey for the galaxy A galaxy descending into war Everything is unraveling The Elves and their Santa have failed so many Repercussions are inevitable A great transition is coming to pass and with it the Mission will conclude Santa Tiberius is faced with the reality of his poor decisions His authority with the Elves hangs by a thread It is not enough to admit he is the Last Santa he must embrace it Hard choices must be made Never one to back down from a fight Tiberius must step down and let others take over The Elves struggle to unite in a vision fulfilling the Charter Dedicated as they are each Discipline each faction has its own goals and methods Every individual yearns to contribute yet thousands of voices speaking at once are chaos The era of Santa Claus is ending The age of Elves is uncertain A crossroads of choices looms ahead Crystals Runes and Touchstones The universe teems with the unknown with secrets Neither the Elves nor the Santas were the only beings charged with upholding the mantle of the Child's dream Others work in their own mysterious ways towards the great Peace Long ago the Nix beings of living snow took a vow to protect the Dedicated They

longed to share their unique gifts yet held back their most wondrous creations The long awaited revelation is nearly here though not all will be worthy of their last gift For the Dedicated deliver stardust dreams to the children of the heavens Forever are the Elves a Santa s time fleeting From the top of the world to the heart of the stars To the dreamers go the Child s epiphany The Omega becomes an Alpha Secrets wrapped in choices Infinite paths to the Peace All chasing the promise of a world without end About the Magi Charter series For over two thousand years the legend of Santa Claus has endured His is a Mission of peace as outlined in the Magi Charter given to the first Santa by the Child From humble beginnings following that First Christmas the Santa lineage has been passed down through the ages This epic adventure tells the story of those Santas from the founding of the North Pole and the origin of the ancient elves to our modern times where the world s problems affect even those in the secluded complex of the North and concluding in the distant future which finds Santa and the elves committed to their mission on a galactic scale where Christmas traditions are barely recognizable In every era those committed to the Mission must find a way to deliver that which is needed most to those most deserving **Lewis Nordan**
