The Book of Love Kathleen McGowan, 2012-12-11 Once there was a gospel written in Christ's own hand a treasure of almost unimaginable magnitude referred to by the Cathars of medieval France as *The Book of Love* Fresh from her successful search for the long hidden scrolls written by Mary Magdalene journalist Maureen Pascal now finds herself on the trail of the legendary lost gospel known as the *Book of Love* But just as there were those who would stop at nothing to seize and suppress the *Book of Love* seven centuries ago so there are those today who are equally determined that its radical message should never be revealed In a race across Italy and France new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity Combining expert research with dazzling plot

twists The Book of Love is sure to thrill readers as they follow Maureen s search for clues through some of the world s greatest art architecture and history until a potentially fatal encounter reveals the Book of Love to her and to us **The Book of Love** Rob Vinciguerra,2019-10-20 The Book of Love is an inspirational reading book that discusses different topics issues tips and insights that deal with Love and Passion Everything that is italicized is a verse and everything that is italicized in red are longer verses to spice things up This book will hold the soulful energy you need to target the truth within the pages of life Let the truth be told because Love will unfold as a sight to behold A path is near to overcome fears wipe away tears and find out what s clear Listen relax and allow yourself to finally understand the true meaning of emotion You will begin to understand that there are stages to the process of Love These stages are stairways that lead to the heavenly feeling itself Love In the end nobody wants to be alone Being able to share your life experiences with someone is what most of us want We were created with purpose with meaning and a reason for believing Who Wrote the Book of Love? Lee Siegel,2010-04-15 Who Wrote the Book of Love is acclaimed novelist Lee Siegel s comedic chronicle of the sexual life of an American boy in Southern California in the 1950s Starting at the beginning of the decade in the year that Stalin announced that the Soviet Union had developed an atomic bomb the book opens with a child s first memory of himself Closing at the end of the decade when Pat Boone s guide to dating Twixt Twelve and Twenty topped the bestseller list the book culminates just moments before the boy experiences for the first time what he had learned from a book read to him by his mother was called coitus or sexual intercourse or sometimes less formally just making love Between the initial overwhelmingly erotic recollection and the final climactic moment all is sex beguiling and intractable naughty and sweet Who Wrote the Book of Love is about the subversive sexual imaginations of children And as such it is about the origins of love Vignettes from the author s childhood provide the material for the construction of what is at once comic fiction imaginative historical reportage and an ironically nostalgic confession The book evokes the tone and tempo of a decade during which America was blatantly happy wholesome and confident and yet at the same time deeply fearful of communism and nuclear holocaust Siegel recounts both the cheer and the paranoia of the period and the ways in which those sentiments informed wondering about sex and falling in love Part of my plan Mark Twain wrote in The Adventures of Tom Sawyer has been to try to pleasantly remind adults of what they once were themselves and of how they felt and thought and talked With the same motive Lee Siegel has written what Twain might have composed had he been Jewish raised in Beverly Hills in the 1950s and joyously obsessed with sex and love **The Existence** Theodore Ihejieta,2018-12-21 The Existence By Theodore Ihejieta The Existence is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the

world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world The Existence is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings

The Book on the Shelf of Love ,M.V.Tuck,2022-06-21 The Book on the Shelf of Love is a historically sound declaration of recycled truths and hidden crumbs that have fallen from past writers Christian history overlooked and ignored The gospel should be simple and what is being revealed goes directly against our traditional biblical teaching But with the same teaching this work brings out truth that has been buried People want the truth Five hundred years later and here comes the reformation that Luther or Calvin never finished For centuries we have hid covered up and swept under the rug profound information about the Bible now to interpret complex language of scholars uncovering important biblical truths Truth that has been left behind that has been erased for centuries that has left us with unanswered questions and important details that could determine the fate of a person s soul God does not need us to take up for Him However Christianity has become so complex Christianity its doctrines leaders and their agenda plague Christians with doctrinal complexities and with such a wealth of biblical and historical records most Christians still do not know enough God s moral law has been left behind where men have corrupted the principles of the gospel with messages of passed down traditions distorted teachings and doctrinal unity This is a real life reformation uncovering truth to correct the mistakes of past generations improving the conditions of the church

strengthening the body of Christian believers and opening the Christians eyes to the truth being told This is an inspired revelation that goes against man made doctrines where churches have become comfortable and complacent The world is changing and while we think we are in a relaxed position in Christ we are under attack in a spiritual battle for our lives This is an inspired revelation that will educate and warn the reader to serve the Lord God with all our mind **The Book of L. Handbook of Love is far more than a traditional compendium. It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love. It illuminates topics as diverse as Chinese love, one night stands, teen romance or love of leaders and many more. This is a definitive reference in the field of love studies. Eva Illouz, author of *The End of Love: A sociology of Negative relationships*, Oxford University Press. This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies. Rather it is a highly diverse scholarly effort, a massive resource collection of research papers on love in a variety of contexts, personal and professional settings and cultures. The work is well referenced providing a large number of resources for deeper exploration. We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is, this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives.
