Things I Couldn't Say In High School English Edition:

Heartless English Edition JONAXX,2023-06-02 Rozen Elizalde knows what he wants and won't let anyone or anything stop him from getting them. He is strong-willed, driven, stubborn, and resolute, which causes him to clash with the people around him, including his family. Despite all that, Rozen proves himself to be faithful, caring, and protective. Coreen Aquino likes to play things safe and is always caught in the middle of two big choices. She thrives in that constant state of uncertainty, forcing others to wait for her to make decisions. But when push comes to shove, Coreen is prepared to sacrifice for the people she loves, even if it means leaving the safety of her comfortable state of limbo. Rozen has been pining for Coreen since they were children, but Coreen likes his brother Noah more and has not exactly been subtle with her feelings. Add to that the fact that she likes the chase too much to give it up just like that. But Coreen and Rozen will soon learn that though the people we love can be cruel to us, the people who are most heartless to us are ourselves. Things We Couldn't Say Jay

Coles,2021-09-21 From one of the brightest and most acclaimed new lights in YA fiction, a fantastic new novel about a bi-Black boy finding first love and facing the return of the mother who abandoned his preacher family when he was nine. There's always been a hole in Gio's life. Not because he's into both guys and girls. Not because his father has some drinking issues. Not because his friends are always bringing him their drama. No, the hole in Gio's life takes the shape of his birth mom, who left Gio, his brother, and his father when Gio was nine years old. For eight years, he never heard a word from her, and now, just as he's started to get his life together, she's back. It's hard for Gio to know what to do. Can he forgive her like she wants to be forgiven? Or should he tell her she lost her chance to be in his life? Complicating things further, Gio's started to hang out with David, a new guy on the basketball team. Are they friends? More than friends? At first, Gio's not sure, especially because he's not sure what he wants from anyone right now. There are no easy answers to love, whether it's family love or friend love or romantic love. In Things We Couldn't Say, Jay Coles, acclaimed author of Tyler Johnson Was Here, shows us a guy trying to navigate love in all its ambiguity, hoping at the other end, he'll be able to figure out who is and who he should be.

The only problem is, Brooke wants no part of that life. She did everything she was told as a child and followed every rule, hoping that one day she would earn her parents' respect and maybe their love. But after the man she was being groomed to marry was killed in a car accident that left her critically injured, her world and her priorities changed. Now she's in a new city with a new job and working on a new life, all while trying to get her body whole again. She really wants to be left alone to discover parts of herself that have been buried for way too long. The last thing she's looking for is a relationship, least of all one with a sexy co-worker. Lucas Mathews has always had a soft spot and an eye for the wounded, so when he spots Brooke in the hospital gym, he isn't fooled by her confidence. On the outside, she

exhibits self assurance strength and an air of perfection Yet he sees more he sees a saddened vulnerable woman trying to convince everyone including herself that she s fine Their attraction is mutual And chemistry off the charts But what Lucas really wants is Brooke s heart something she has no intention of giving to anyone ever again Hearings, Reports and Prints of the Senate Select Committee on Equal Educational Opportunity United States. Relentless Frank Shingle,2010-09-22 **Demon in You** Jenna Wilder,2013-08-23 Jane Williams was never a normal teenage girl From the moment she was born she was given this task She had this mission and journey that she had to set out on from the moment she came onto this earth Though growing up in a foster home she didn't know much about yourself When Jane was left on the steps as a infant she believed that no one wanted her or loved her That there was nothing special about her But all that changes as she grows up And the more she grows the more she sees The more the nightmares and dreams come to her at night and show her the dangers she will come across Not to mention the overwhelming amount of responsibility that she will have to bare on shoulders She never thought her teenage life could become anymore troubling then it is now But with one bad dream You would have never thought it would lead to so much questions and surprises An Uncle that is barely your uncle comes into your life Sprouting out nonsense of destiny and a fight with heaven and hell over her And it was one thing to have men fight over her But never once did she think that two of the most powerful things in the world would be fighting to have her But either one can literally kill her Not something that you wish to hear during your days as a sixteen year old And things only begin to grow from bad to worst for her It seems to be one gigantic roller coaster ride for her And if you are willing to take that ride then you will see all the rough turns it will take her
