2. The general rules for examinations at the Southern Methodist University Dedman School of Law, which are set forth on the cover sheet to this exam booklet, apply to this examination.
3. Print your examination pin number on this exam (above).
4. Print your examination pin number, the course subject, and instructor's name (Prof. Todd) on the cover of each blue book you use. You may use a laptop computer during the exam if Examsoft is installed and running on it.
5. This is a limited closed book examination. You may not use any outside material except one 8.5" x 11" piece of paper with your own writing on it (typed/ printed writing is OK). Both sides of the single sheet of paper may have writing on it.

7. You should devote appropriate time to each question. Allocate your time based on the point value of the question. I encourage you to spend a substantial amount of time reading, thinking and/or outlining your answer. Spend the remainder of your time writing your answer.
8. Your answer should be in essay form using complete sentences. Do not outline your answer.
9. Any matrix or outline you produce will not be graded. They are for your benefit only. I also will not grade anything written on the exam itself -- confine any part of your answer that you wish me to grade to the blue books

Philosophy and the Law of Torts Gerald J. Postema, 2001-11-19

When accidents occur and people suffer injuries, who ought to bear the loss? Tort law offers a complex set of rules to answer this question, but up to now, philosophers have offered little by way of analysis of these rules. In eight essays commissioned for this volume, leading legal theorists examine the philosophical foundations of tort law. Amongst the questions they address are the following: how are the notions at the core of tort practice, such as responsibility, fault, negligence, due care, and duty to repair, to be understood? Is an explanation based on a conception of justice feasible? How are concerns of distributive and corrective justice related? What amounts to an adequate explanation of tort law? This collection will be of interest to professionals and advanced students working in philosophy of law, social theory, political theory, and law, as well as anyone seeking a better understanding of tort law.
