Annex D – Naval Nuclear Propulsion Program

Summary of Changes:

- *New chapter. Contains text from 2014 FNF Plan sections: Annex D, Appendix 2*
- *Highlighted sections identify added or modified text.*

D.1 Introduction

The Naval Nuclear Propulsion Program (NNPP) is a joint Department of Energy / Department of Navy organization which is tasked with the responsibility to design, build, operate, maintain and manage the nuclear-powered warships and facilities which support the U.S. nuclear-powered Naval fleet. The Program utilizes the resources of both DOE and the Navy and the Director is assigned responsibilities in both agencies to provide for a fully integrated approach.

D.2 Naval Nuclear Propulsion Program Area of Planning Attention

Emergency Planning Zones (EPZs) established by NUREG 0654 / FEMA REP-1 are not applicable to NNPP nuclear propulsion facilities in Washington. Because of differences in the design and operation of naval nuclear propulsion plants when compared to commercial nuclear power plants, the exposure to the public would be localized and not severe in the highly unlikely event of a release of radioactivity from a ship. Therefore, there is no need for Kitsap and Snohomish Counties to have special emergency response plans as are required for the counties where commercial nuclear power plants are located.

To assist state and local authorities in assessing the need for any preplanning in the vicinity of naval bases or shipyard where nuclear powered vessels are berthed, the Naval Nuclear Propulsion Program has designated Areas of Planning Attention (APA). The APA extends 0.5-miles around every location where nuclear-powered vessels are normally berthed (i.e. from the actual dock or pier, not the shipyard or naval base property boundary). The 0.5-mile distance is based on detailed, conservative analysis of worst-case, highly unlikely scenarios. The actual radius of the impacted downwind area will most likely be smaller.

For Naval Base Kitsap-Bremerton and Naval Station Everett, only small portions (e.g. a few city blocks) of the APA cross over the Federal Government property boundaries. For Naval Base Kitsap-Bangor, the APA is completely within Federal Government property boundaries except for areas in the Hood Canal (Appendix 2 – Maps) Kitsap and Snohomish Counties are
