Pistis Sophia Revised G. R. S. Mead, **May Human Beings Hear It!** Sergei O. Prokofieff, 2014-03-12 During the Christmas period of 1923 4 Rudolf Steiner refounded the Anthroposophical Society at its headquarters in Dornach Switzerland This important event which has come to be known as the Christmas Conference can be studied on many levels and its many mysteries have been central to Sergei O Prokofieff's anthroposophical research over the years His beginning point has been an enduring question What did Rudolf Steiner mean when he called the Christmas Conference the start of a World Turning point of Time In this far reaching work the author working from several different viewpoints guides the reader towards an answer Prokofieff suggests that the impulse of the Christmas Conference can only be reenlivened today through conscious action by individuals to experience its spiritual essence Rather than offering dogmatic conclusions he opens up paths of approaching this goal by throwing light on different aspects of the Conference and what lies at its heart the Foundation Stone and its Meditation In particular Prokofieff explores three key perspectives the connection of the Christmas Conference with humanity's evolution the inner relationship of each

Pistis Sophia Unveiled Samael Aun Weor, 2025-02-01 The words of Jesus unedited and clearly explained It came to pass when Jesus had risen from the dead that he passed eleven years discoursing with his disciples and instructing them The Pistis Sophia The Apostles wrote down what Jesus taught them during those eleven years resulting in The Pistis Sophia the most important Gnostic scripture This edition includes an extensive commentary by Samael Aun Weor The Pistis Sophia is a sophisticated and deeply mystical teaching given by Jesus about the suffering of Sophia as she attempts to ascend to the highest spiritual truth This scripture is remarkable for its profound mysticism its clear rebuke of unethical behavior and its perspective on the spiritual role of women Having read this text it becomes very clear why the established religious powers attempted to obliterate the Gnostics but failed Study of this teaching also inspires a re evaluation of how the Christian Gospels have been interpreted for centuries Most importantly the teachings presented here provide a remarkable insight into the true requirements for genuine spiritual development About this scripture the commentary author Samael Aun Weor said The Hebrew Bible clearly connotes the Word of the Eternal One However we the Gnostics also have our very special Bible I want to emphatically declare that this is The Pistis Sophia whose original is in Coptic It was found underground in Egypt the land of the Pharaohs The Pistis Sophia contains all the words of the adorable Savior of the world It was written by the Apostles Thus all the Esoteric Christic instructions that Jesus Christ gave to his disciples on the Mount of the Olives and other holy places is written within this book This book had been conserved in secret for many centuries In this book the Adorable One left an extraordinary formidable body of doctrine The Pistis Sophia Unveiled is a message for all humankind in every corner of the world *The complete works of Richard Sibbes, ed. with mem. by A.B. Grosart* Richard Sibbs, 1863

Books of the Saviour W. Iamwe Ph.D., 2021-02-01 The resurrection teachings Jesus taught to his disciple Matthew 13 10 confirms the separate teachings The disciples came to Jesus and asked Why do you speak to the people in parables He replied The knowledge of the secrets of the kingdom of heaven has been given to you but not to them For this people's heart has become calloused they hardly hear with their ears and they have closed their eyes Otherwise they might see with their eyes hear with their ears understand with their hearts and turn and I would heal them This is why I speak to them in parables Though seeing they do not see though hearing they do not hear or understand In them is fulfilled the prophecy of Isaiah You will be ever hearing but never understanding you will be ever seeing but never perceiving But blessed are your eyes because they see and your ears because they hear For truly I tell you many prophets and righteous people longed to see what you see but did not see it and to hear what you hear but did not hear it Matthew 13 10 16 It is not only important to fully understand all of the knowledge within Jesus teachings the level within the heavens you will inherit after your life depends upon it

Pistis Sophia G. R. S. Mead, 2013-11-08 In these days of the higher criticism with its merciless analysis of original Scripture much light would doubtless be thrown on the New Testament by an unprejudiced study of Gnosticism This philosophy which reached a flourishing maturity in the second century of the Christian era but became virtually extinct in the

sixth taught that all natures intellectual moral spiritual and material are successive emanations from Deity Its professors claimed to have an esoteric and philosophic knowledge of Christian doctrines and some modern scholars assert that the Gospels are replete with allusions to the Gnostic teaching Although it is now fashionable to dismiss the Syrian and Egyptian schools as a fantastic combination of Oriental mysticism Greek philosophy and Christian theology yet it is probable that a profound interest will be awakened among reasoning Christians by Pistis Sophia
