Hollister Joseph McMahon, Peter Sonné, 2012 The history of Rancho San Justo and Hollister began in 1839 when Gov Juan Alvarado gave the land grant to Jose Castro. Castro sold the land to Francisco Pacheco who in turn sold the land grant to William Hollister and his partners Llewellyn Bixby and Thomas and Benjamin Flint. In 1861 the men agreed to split the property. The site for the town was surveyed in 1868 with plans to divide the site into 50 homestead lots. Colonel Hollister sold his portion of the rancho to a group of men who called themselves the San Justo Homestead Association. At that time the town of Hollister was still in Monterey County however the homestead association started agitating for a division of the county. An act to create the county of San Benito was approved by the governor on February 12 1874 and Hollister became the county seat.

wanted to simplify the perforated paper technique so that you could create papel picado with household scissors and after a bit of experimentation we came up with this easy method of producing your own stunning papel picado We made ours using crepe paper as it comes in lovely vibrant colors and we found it much easier to handle than tissue paper which tends to tear It also means that your papel picado last longer so you can use them again next year How to make a mini pinata Ever since we moved our family to South America we have all fallen head over heels for pinatas so it wasn't long until we felt compelled to try making one of our own Traditionally you beat a pinata with a stick until it exploded and all the yummy shiny contents fell to the ground Now days as a safer option pinatas often come with a string which you pull down on to release the contents We wanted to make a fully functioning mini pinata so ours too has a pull string It's been tried and tested by our children so we can report that it works beautifully Templates If you would like to use the templates shown in the tutorial photos they are all free with the book to download from the Happythought website We have also included templates in this book which you can photocopy and scale up to use for your projects copy by hand or use as inspiration for your own designs
