## Story Sequencing

Cut and then glue the story in order.

A dragon burnt down her castle and kidnapped Prince Ronald.

When Prince Ronald saw Princess Elizabeth, he told her to come back when she looked like a real princess.

Princess Elizabeth did not marry the awful Prince Ronald. She was glad she didn't.

Princess Elizabeth was crafty and she tricked the dragon.

Princess Elizabeth was beautiful and rich. She was going to marry Prince Ronald.

Princess Elizabeth put on a paper bag because her clothes were burnt. She set off to save Prince Ronald.

### **Literacy Classrooms That S.O.A.R.**

Susan O'Hara, Robert Pritchard, Debi Pitta, 2020-11-27 For more than fifteen years the authors have been conducting research and professional development in school districts across the United States This work has shown that the SOAR Teaching Frames for Literacy provide a unique approach to planning implementing and elevating instruction that drives improvement in teaching and learning One distinguishing aspect of the SOAR work is the focus on the high impact teaching practices that research identifies as key to student learning A second distinguishing aspect is that the practices are presented and unpacked within

the context of teaching frames Each teaching frame is designed to help educators understand and implement the high impact practice that drives student learning while simultaneously enacting a set of dynamic instructional moves in support of the high impact practice and taking the foundational planning steps needed to do this well Detailed instructional strategies are provided as a way to help teachers understand how to implement and continuously improve these practices A third distinguishing aspect of the work is that the teaching frames provide a common language and a set of tools to foster teacher to teacher and coach to teacher collaboration that supports professional learning and growth across schools and districts Principals coaches and teachers who have participated in SOAR professional learning report that the teaching frames provide them with a lens for continued professional learning and growth

*CyberLit* Marilyn Dover Newman,2004 Elementary school media specialists and teachers routinely use children s picture books in their lessons These books add depth and vitality to the curriculum because they are written and illustrated by some of the world s most gifted writers and artists Yet educators are finding it increasingly harder to insert this pleasant and important activity into the busy school day due to increased pressures to improve test scores to implement a standards driven curriculum and to stay abreast of new technologies to deliver instruction This book helps educators continue to incorporate literature into the school day in spite of these obstacles *CyberLit* is a book for those who work with or teach others who work with children in the primary grades It is for those who use trade books to supplement and enhance health science creative writing history geography reading math language arts character education multicultural studies holidays citizenship and the fine arts It s for those who love children s literature and book illustration With this book you no longer need to get lost in cyberspace The information has already been searched collected assessed and compiled Easily accessible and at your fingertips this directory can help you to get biographical information about authors and illustrators and to learn how they get ideas for stories how illustrations are created how to extend the books into the curriculum and where to find time saving lesson plans and book related activities for classroom projects and units These outstanding websites of children s authors illustrators and storybook characters were selected based on their educational value and for the fact that they contain a minimum of commercialization They are exemplary examples of authors publishers and scholars who understand and acknowledge the roles of teachers and librarians Like little gems in cyberspace they go beyond the ordinary content for busy educators
