Summary of Nick Van Dam's The E-Learning Fieldbook Everest Media,2022-03-01T21:00:00Z Please note This is a companion version not the original book Sample Book Insights 1 In 1996 the first article on Internet based training was published in Training Magazine That year the e learning market grew from a few million dollars to 3 4 billion worldwide But in 2002 the stock market crashed and the e learning industry experienced a trough of disillusionment 2 The last event in the time flow is the merger in the e learning industry between SmartForce and SkillSoft in 2002 This merger created the largest global e learning vendor and it is viewed by CLO magazine as the beginning of the trend toward Enlightenment and Productivity 3 Today e learning has proved itself to be a credible opportunity and approach to learning though it has been hurt by some less than stellar implementations Many believe that there is no doubt about the importance of applying e learning when and where it adds value 4 E learning has proven to have a significant business impact as you will find in Chapter 2 of this Fieldbook Many organizations have successfully implemented e learning initiatives that were well aligned with specific business goals
