Buckminster Fuller, 2008-07-15 And it Came to Pass Not to Stay brings together a selection of Buckminster Fuller's lyrical and philosophical best including seven essays in a form he called his ventilated prose which address global crises and his predictions for the future These essays including How Little I Know What I am Trying to Do Soft Revolution and Ethics put the task of ushering in a new era of humanity in the context of always starting with the universe In rare form Fuller elegantly weaves the personal the playful the simple and the profound Description by Lars Muller Publishers courtesy of The Estate of Buckminster Fuller *Utopia or Oblivion* R. Buckminster Fuller, 1963 Utopia or Oblivion is a provocative blueprint for the future This comprehensive volume is composed of essays derived from the lectures he gave all over the world during the 1960's Fuller's thesis is that humanity for the first time in its history has the opportunity to create a world where the needs of 100% of humanity are met This is what man tends to call utopia It's a fairly small word but inadequate to describe the extraordinary new freedom of man in a new relationship to universe the alternative of which is oblivion R Buckminster Fuller Description by Lars Muller Publishers courtesy of The Estate of Buckminster Fuller Instructor ,1937 365 *Meditations in Prose and Poetry* Reverend Paul Lachlan Peck, 2015-08-12 No one's journey through life is easy We all wrestle with issues that can include health financial career and love challenges which can perpetuate unhealthy thought patterns like
