Putnam, 2009-04-11 The lives of Catullus and Horace overlap by a dozen years in the first century BC Yet though they are the undisputed masters of the lyric voice in Roman poetry Horace directly mentions his great predecessor Catullus only once and this reference has often been taken as mocking In fact Horace s allusion far from disparaging Catullus pays him a discreet compliment by suggesting the challenge that his accomplishment presented to his successors including Horace himself In *Poetic Interplay* the first book length study of Catullus s influence on Horace Michael Putnam shows that the earlier poet was probably the single most important source of inspiration for Horace s Odes the later author s magnum opus Except in some half dozen poems Catullus is not technically
