

Dika le Diema

"Go fofa pele moropa o lla"

(To do things with haste, without thinking them through.)

"Pinyana ge e re ping, e kwele ping ye kgolo."

(When children display an alarming behavior in public, it is learnt behavior from their parents or the environment they grow up in.)

"Go phuthela phefo ka lepa"

(To hope in something that is impossible.)

"Ngwana a sa llege o hwela tharing."

(A person who does not cry for help when in distress, will die by whatever distress they are in.)

"Go bea mosela fase"

(To humble yourself in a respectful or apologetic manner.)

"A lafa molwetši a re go fola a roge ngaka."

(You can help another person when in trouble, but the moment the person is fine, he/she can bad mouth you and tell others how evil you are.)

"Go tsena motho ganong"

(To talk over or cut someone off while they are still talking.)

**"O se re go e bona e hlotša,
wa e nametša thaba."**

(Do not encourage a person's anger for their reaction is unknown.)

"Go ješa motho dingwathamoratha"

(To beat someone up. "To throw fists.")

"Naga e letše."

(All the chaos is silenced and there is peace.)

"Go betha mpa ka lenono"

(To be full and satisfied after eating a meal.)

"Pudi ya ja leotša, e fetetša tše dingwe."

(If one person in a group of friends does something, everyone in that group is believed to be doing it too.)

"Go swa ka ganong"

(To fail to articulate well, making it hard to believe that what you are saying is true.)

"Pela e hlaetše mosela ka go romeletša."

(If you get in the habit of being lazy, paying others, or sending others to do things you should be doing in person, you will end up losing opportunities meant for you.)

Sepedi Idioms And Proverbs

Clemens Wendtner

Sepedi Idioms And Proverbs:

Sepedi (Northern Sotho) Proverbs Nape'a Motana, 2004 This charming collection presents more than 100 Sepedi proverbs arranged in alphabetical order and accompanied by English translations and a comprehensive explanation of each. The proverbs include everything from the lighthearted to the serious such as what to say to request a second beer at a friend's house or to reveal one's undying adoration to a loved one.

Soshanguve paremiology+ Napjadi Letsoalo, Mpho Ngoepe, 2025-08-15 This scholarly book explores the transformative role of proverbs in cultural education preservation and scholarly discourse in South Africa. It emphasises the importance of integrating indigenous African knowledge into academic spaces to support decolonisation, re-Africanisation and transformation. Proverbs are presented as tools for promoting multilingualism, multiculturalism, social cohesion and mutual respect in South Africa's diverse society. The book addresses the United Nations UN Sustainable Development Goal (SDG) 4 quality education, SDG 5 gender equity, SDG 9 innovation and SDG 10 reduce inequality. It serves as a teaching resource for proverbs in Northern Sotho, Sepedi, Sesotho, Setswana, Xitsonga, isiZulu, isiXhosa, isiNdebele, siSwati and/or Tshivenda, Sotho, Shangaan, Nguni and Venda, as well as Soshanguve, as well as Chichewa and Shona, supporting cross-cultural understanding. Grounded in a scholarly project on a multilingual proverbs dictionary, the book applies theoretical frameworks such as conceptual metaphor theory, ethnopragmatics and translation quality assessment to analyse proverbs. This interdisciplinary approach bridges linguistics, anthropology and digital humanities, offering fresh insights into the semantics and cultural significance of proverbs. The chapters in the book explore themes like proverbs in music, their intersection with patriarchy and translation quality assessment. Targeted at scholars and experts in languages, literature, linguistics and digital humanities, the book advances the study of proverbs while fostering cultural awareness and sensitivity. It highlights the value of proverbs as linguistic and cultural assets enriching academic and practical applications across disciplines.

Digital Media and the Preservation of Indigenous Languages in Africa Fulufhelo Oscar Makananise, Shumani Eric Madima, 2024-06-18 Digital Media and the Preservation of Indigenous Languages in Africa: Toward a Digitalized and Sustainable Society presents cutting-edge epistemological debates, academic case studies and empirical research from African scholars on the intersection of digital media technologies, artificial intelligence and the preservation of Indigenous languages in the continent. This edited collection provides a methodology for African researchers, practitioners and marginalized communities to integrate digital technologies into their lives to foster innovation, advance the documentation and preservation of underrepresented languages and promote African-centered epistemologies. Contributors to this edited volume argue that African societies should acknowledge and embrace digital media platforms. Despite these platforms' potential as sites of epistemic colonialism, they are essential for promoting ways of life that reflect the diversity and importance of Indigenous cultures. For Indigenous languages and local epistemologies to flourish in this rapidly evolving technological era, African communities must employ a variety of contemporary practices and strategies to document, protect

and preserve ways of being that have formerly been relegated to the periphery **African Authors** Donald E. Herdeck,1973 *Language in Epistemic Access* Caroline Kerfoot,Anne-Marie Simon-Vandenberg,2018-07-26 This book focuses on how to address persistent linguistically structured inequalities in education primarily in relation to South African schools but also in conversation with Australian work and with resonances for other multilingual contexts around the world The book as a whole lays bare the tension between the commitment to multilingualism enshrined in the South African Constitution and language in education policy and the realities of the dominance of English and the virtual absence of indigenous African languages in current educational practices It suggests that dynamic plurilingual pedagogies can be allied with the explicit scaffolding of genre based pedagogies to help redress asymmetries in epistemic access and to re imagine policies pedagogies and practices more in tune with the realities of multilingual classrooms The contributions to this book offer complementary insights on routes to improving access to school knowledge especially for learners whose home language or language variety is different to that of teaching and learning at school All subscribe to similar ideologies which include the view that multilingualism should be seen as a resource rather than a problem in education Commentaries on these chapters highlight evidence based high impact educational responses and suggest that translanguaging and genre may well offer opportunities for students to expand their linguistic repertoires and to bridge epistemological differences between community and school This book was originally published as a special issue of *Language and Education* *Essays & Literary Criticism* David Ambrose,1999 **African Books in Print** ,1978 *Worldmark Encyclopedia of Cultures and Daily Life* Timothy L. Gall,Jeneen Hobby,2009 Provides information on the cultures of the world covering different areas of daily life including clothing food language and religion *Dictionaries & Phrase Books* David Ambrose,2006 *The Social and Political History of Southern Africa's Languages* Tomasz Kamusella,Finex Ndhlovu,2017-11-21 This book is the first to offer an interdisciplinary and comprehensive reference work on the often marginalised languages of southern Africa The authors analyse a range of different concepts and questions including language and sociality social and political history multilingual government and educational policies In doing so they present significant original research ensuring that the work will remain a key reference point for the subject This ambitious and wide ranging edited collection will appeal to students and scholars of southern African languages sociolinguistics history and politics *Birth of a National Language* Tore Janson,Joseph Tsonope,1991 *Birth of a National Language* provides essential reading for those interested in the development usage and future of Setswana in Botswana This well researched study traces the development of Setswana from the earliest known records to its present status as a national language in Botswana The complex relationships between nation language and society is discussed in detail with reference to both historical and geographical influences Special emphasis is placed on the linguistic consequences of the great social changes brought about by independence in 1966 and a chapter is devoted to the very dynamic linguistic situation in the capital city Gaborone The Gaborone example leads to a more general discussion of

recent semantic and lexical changes The book concludes with an overview of the evolution of Setswana in Botswana and a discussion of possible future developments based on comparisons with other languages cover page 4 *Bibliokrafi ya Sesotho sa Leboa go fihla ka 1993* ,1994 **Dictionary of Proverbs and Their Origins** Linda Flavell,Roger Flavell,2008-03 This fully revised and updated edition of a book that has sold over 50 000 copies worldwide since 1993 includes new entries Linda and Roger Flavell trace the origins of over 400 pieces of wisdom Mini essays cover such diverse subjects as When There s a R in the Month Extremely useful for reference purposes but written in an informal style attractive to the browser Reference Review A fascinating history of pithy amusing sayings Good Book Guide **Riddles, Proverbs (sayings Or Maxims), Idioms (or Idiomatic Expressions), and Selected Poems** ,2001 *Animal Idioms and Proverbs* Amrahs Hseham,2023-01-10 A proverb is a set of words where the literal meaning is different from the symbolic one The purpose of a proverb is to use figurative language to captivate an audience and convey a beneficial message or moral lesson A proverb is defined as a set of words whose meaning cannot be deduced from their literal meaning For example pull someone s leg is an idiom but doesn t mean you re pulling someone by the leg Rather it means to joke with someone So basically a proverb has a symbolic or figurative meaning Whereas an idiom is a popular statement that expresses a belief or idea idioms have been in common use around the world for a long time A feature of idioms is that many metaphors compare what you want to explain with something else For example The pen is mightier than the sword or A journey of a thousand miles begins with a single step The meaning of these sentences can be taken as they are In the presented book a collection of idioms and proverbs has been made in A Z order only based on animals and birds Thus it has become a unique interesting and collectible book for every language lover **Idioms & Proverbs , 365 Proverbs and Proverbial Quotes and Idioms** Aimee Kathartt,2018-08-04 This journal is part of the AilamA R Project a vast program aimed at teaching and learning English in a holistic way English for your body mind and soul However it can very well be used by any English speaker native or not who wants a fun concise way to be reminded of the law of attraction in action Mind your magnetic force every single day In doing so please remember that opposites attract but like attracts like You can live without social masks You can be your true self basking only in beneficial energies for the rest of your life Make this fun journal the daily reminder of your greatness *English Proverbs & Sayings* Ian George Bolton,2020-03-14 This is a collection of some of the most important and well known English proverbs sayings Proverbs have been handed down from generation to generation from the earliest times to give advice and were passed down from mouth to mouth long before any written records Proverbs are especially good for a language student because they are metaphorical and create a strong visual image in the mind Proverbs are a great way of giving students good example sentences which they can memorize and use as models for building their own sentences We have tried to keep the caption explaining the proverb as colloquial as possible and as close to spoken English as possible it contains several Keywords at times perhaps too many related to the concept expressed by the proverb
