Failure Joe Zieja,2016-11-15 The Two Hundred Years And Counting Peace Treaty led to inept military bureaucracy and no one is more perfectly suited to take advantage of it than R Wilson Rogers don't ask what the R stands for After drinking gambling and swindling his way through the military he's ready for something bigger professional space pirate But pirating is risky namely it's illegal even in space And when Rogers is arrested attempting to pull off his biggest con yet his sentence is re-enlistment More drinking grilling and poker Rogers couldn't agree fast enough However the military he left is not the military he finds upon boarding the MPS FLAGSHIP A conspiracy is afoot with soldiers doing actual soldier things and AI droids handling sensitive intelligence Rogers is the only one who questions the droids information but the bureaucracy doesn't care Which means his worst nightmare he might have to do actual work to prevent a war **Before I Fall** Jessica

Scott,2015-03-03 I thought I could do this I thought I could leave the war behind I was wrong I can't do this I can't go to class and pretend like everything is normal That I'm normal I'm not I've lost everything that matters to me But I made a promise And if I'm going to keep that promise I have to focus I have to pretend that I belong on this southern campus that drips with old money And I have to pass stats That's where Beth comes in I'm terrified she'll see through me That the careful lies and easy smile won't be enough to convince her that everything is fine That she'll see how broken I really am But there's something about her that draws me closer A sadness in her eyes that am powerless to resist I should walk away Protect her from the broken darkness in me Before we both fall into something neither of us can control Stay focused Get a job Save her father's life Beth Lamont knows far too much about the harsh realities of life her gilded classmates have only read about in class She'll do whatever it takes to take care of her father even if that means tutoring a guy like Noah a guy who represents everything she hates about the war soldiers and what the Army has done to her family Noah Warren doesn't know how to be a student All he knows is war But he's going to college now to fulfill a promise and he doesn't break his promises Except he

doesn't count on his tutor being drop dead gorgeous and distracting as hell One look at Beth threatens to unravel the careful lies Noah has constructed around him A simple arrangement turns into something neither of them can deny And a war that neither of them can forget could destroy them both [The Avenging Angel Part I](#) Andrew Matthew Spangler, 2009-12-30 The summary of this book is very simple and clear cut to me and I hope to make a clear point to all of my readers There are some very serious and real situations that have become a problem in society today that need to be addressed urgently First and foremost is Human Trafficking All of us my self included are at risk everyday of the dangers of being abducted and held for ransom sold traded or trained and caged like animals for the pleasure and enjoyment of others who find themselves above the law Those individuals who believe it is ok to steal trade and or sell Human Life as though its some kind of commodity Another major issue we face in society today is what some call polygamy which I myself consider multi partner marriages Polygamy is the vulgar and accurate term for the sick individuals who hypnotize others into false and unscrupulous acts of lifestyle On the other hand Multi partner marriages are in a category of there own completely different than how some men in this country choose to act and distort the true meaning of marriage and being the head of a household Accompany me into the true definition of real love and affection for others along with the dramatized effects of what vigilante Justice will change and possibly stop entirely if taken into the hands of those affected by the very unusual and cruel acts of human behavior Eye 4 won refuse to stand by and watch it continue to happen in society around me While the true predators distort and tangle the real meaning of true compassion This is not what God intended us to do to less aggressive or more vulnerable people in the world for our own financial personal or political gain Join me in my journey to bring awareness to the public about the problems at hand and help put a stop to our loved ones falling victim to the predators at large today Along side finding those missing today from our lives we once shared and continue to hold so close to our hearts in hopes of their eventual safe return
