CRAUGHWELL, 2009-06-30 On the night of the 1876 presidential election a gang of counterfeiters attempted to steal the entombed embalmed body of Abraham Lincoln and hold it for ransom Craughwell returns to this bizarre and largely forgotten event with the first book to place the grave robbery in historical context This rousing story of hapless con men intrepid federal agents and ordinary Springfield citizens offers an unusual glimpse into late nineteenth century America **Lincoln's Grave Robbers (Scholastic Focus)** Steve Sheinkin, 2013-01-01 A true crime thriller the first book for teens to tell the nearly unknown tale of the brazen attempt to steal Abraham Lincoln s body Reissued in Scholastic Focus with an exciting new cover The action begins in October of 1875 as Secret Service agents raid the Fulton Illinois workshop of master counterfeiter Ben Boyd Soon after Boyd is hauled off to prison members of his counterfeiting ring gather in the back room of a smoky Chicago saloon to discuss how to spring their ringleader Their plan grab Lincoln s body from its Springfield tomb stash it in the sand dunes near Lake Michigan and demand as a ransom the release of Ben Boyd and 200 000 in cash From here the action alternates between the conspirators the Secret Service agents on their trail and the undercover agent moving back and forth between them Along the way readers get glimpses into the inner workings of counterfeiting grave robbing detective work and the early days of the Secret Service The plot moves toward a wild climax as robbers and lawmen converge at Lincoln s tomb on election night November 7 1876 A dynamic and thrilling tale from critically acclaimed author Steve Sheinkin

Screenwriters José Guilherme Correa, 2016-07-13 Screen writing is a unique literary form Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers They are written using technical jargon and tight spare prose to describe set directions Unlike a novella a script focuses on describing the literal visual aspects of the story rather than on its characters internal thoughts In screen writing the aim is to evoke those thoughts and emotions through subtext action and symbolism Prominent Hollywood script doctors include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc while many up and coming screenwriters work as ghost writers This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z The good are sometimes bad and they can be even Ugly Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature It all comes down to watching the truth 24 times per second to quote Jean Luc Godard s phrase Not to mention that such truth may include sex scenes violence pedophilia etc We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A I Bezzerides script Asa former screenwriter Mr Correa must avow that he found the job most gratifying Writing that looks effortless is often hellish to write and revise It was something he did have to slog through but it proved particularly pleasing Editing discussing finishing your work is particularly gratifying Identifying your flaws and working to mitigate them is also gratifying It is a general perception that creative careers are more interesting and fun than others But the privilege of earning money through imagination and creativity is effectively hard won Please comment at will Please disagree at will Be facetious in your remarks but please be neither vicious nor mean spirited Bela Lugosi and Boris Karloff Gregory William Mank, 2010-03-08 Dracula and Frankenstein s Monster are horror cinema icons and the actors most deeply associated with the two roles also shared a unique friendship Bela Lugosi and Boris Karloff starred in dozens of black and white horror films and over the years managed to collaborate on and co star in eight movies Through dozens of interviews and extensive archival research this greatly expanded new edition examines the Golden Age of Hollywood the era in which both stars worked recreates the shooting of Lugosi and Karloff s mutual films examines their odd and moving personal relationship and analyzes their ongoing legacies Features include a fully detailed filmography of the eight Karloff and Lugosi films full summaries of both men s careers and more than 250 photographs some in color *Familiar studies of men and books.
