Sergei and Hans Dennis Santaniello, 2015-07-21 In a WWI prison camp a salvaged journal reveals the chilling story of a Russian prisoner and a German guard **Sparking Connections** Bjørn Eddie Bore , 2025-06-17 In Sparking Connections we follow Hans Leas and Ella on a thrilling Journey Through mystery cybercrime and personal Challenges When a global cyber WAR threat begins to shape the world the two are forced to work together despite their opposing views and hidden pasts Their journey takes them to shadowy forces and international conflicts where no one is quite who they seem to be

The Idealist Salvatore Salamone, 2012-05-31 The IDEALIST begins with a boys imaginary quest to rescue his father from the czars prison Out of his imagination emerges Georg Karl Russano a Socialist journalist and champion of human rights His father disillusioned by the Russian Revolution becomes his bitter enemy Alessandra his rst love is from a prominent family whose wealth nances Mussolinis rise to power Georg Karl shares his fugitive existence with Roberto and Giulia until the secret police capture him After a daring escape Georg Karl rejoins Giulia and their son in exile His book Prisons earns him international success although fame leads him to a betrayal He seeks redemption in the Spanish civil war With the execution of his father and mistress Georg Karl loses faith in his cause but the crucible of World War II restores his beliefs With the Allied victory Italy becomes a democracy his ideals enshrined in its constitution Russano re ects on his comrades p their faded faces besieged his memory the architects of destruction the blind visionaries the bright shadows of the underground the prisoners of principles the unhappy exiles the soldiers of the republic and the heroes of the Resistance They were his life his beacons like the ery stars in the night **The Bible, Christianity, and Culture** Pavol Bargár, 2023-05-01 This book

originated in the Donatio Universitatis Carolinae award and research support that Professor Petr Pokorn received in 2017 It was envisioned designed and originally conducted as a project exploring the biblical roots of Christian culture Experts in various theological and philosophical disciplines both from the Czech Republic and abroad were to probe this topic from their particular perspectives The hoped for output was to be a coherent collective study of the proposed topic However due to the unexpected passing away of Prof Pokorn in early 2020 the project could not be executed according to the original plan Rather than a collective monograph therefore the present book is a collection of essays that investigate various aspects of the Bible and Christianity in their relation to culture as a broad human phenomenon The book is divided into two sections While the first section focuses on particular issues in the Bible the second addresses historical philosophical and cultural developments As Petr Pokorn was actively and importantly involved in the initial stages of the project two essays are written by him personally The whole book then is dedicated in his honor Official Gazette of the United States Patent and Trademark Office , 1989 *Index of Patents Issued from the United States Patent and Trademark Office* , 1992 Snövit jörd Lilja Sigurdardottir, 2024-10-18 Tredje boken i r ra serien Den isl ndska deckardrottningen Lilja Sigur ard ttir blir bara b ttre och b ttre Financial Times En sn ig vintermorgon hittas en vergiven fraktcontainer n ra Reykjavik Inuti den terfinns fem
