Bardot,2020-11-25 If you want to make your 20 dress or curtains look like they re worth 150 then keep reading Have you  
ever wondered how store bought garments get those perfectly stitched finished seams Have you come across a serger for the  
first time but have no manual to help you out Have you got your wife a new serger and want her to learn it s secrets Do you  
want to spice up your home d cor and give it a stylish and professional look The serger is the secret ingredient for fashion  
houses and retailers to add many speciality effects that aren t possible with your run of the mill sewing machine Thankfully  
not only can you get a serger for a good price but with this book you can also learn how to use it to make the most out of  
clothing and home decor you already have Once you start working with a serger you ll be amazed with what it can do for  
your clothes and how much time you save when compared to using a normal sewing machine to add the same frills Soon you  
ll wonder how you ever got along without one Inside this book you will discover The secrets of your serger and how to unlock  
its full potential 3 full fledged projects to apply all your serger techniques The 1 high performance thread every beginner  
seamstress should use with her serger One simple tip that will help you stabilize your stitches even if the material is too thin  
How to make a face mask with your serger The best types of needle for different stitching scenarios Here are the answers to  
some questions you might have about this book Q I already have a sewing machine How does learning to serger help me A  
Although both a serger and a sewing machine are used for sewing they sew them differently Each machine works best for

different aspects of the sewing process Just as a kitchen has a stove and an oven every sewing room should have a sewing machine and a serger A serger can be used for more than just seam finishing It also allows you to create many specialty effects that aren't possible with your sewing machine Q I have to hunt around between the book and machine manual and sometimes the internet in order to get all the information I need to sew something on my own Does your book combine with the manual so that I don't need flip between books A Yes my book combines both the manual aspect and actual project making for a serger It's designed to be your one stop shop for beginner level use of a serger You don't even need to read a manual before getting started with this book I'm a seamstress that is familiar with sewing machines but I've been hesitant to jump into the world of serger Does a serger make that much of a difference A Absolutely The next time you go to your favorite clothing store check out their frills chances are they were made with a serger And if mindless factories can manufacture things you love to spend money on imagine what YOU could make with a serger and the right techniques Everyday that you delay is another day you miss out on an instant upgrade to your favorite clothes decor and more all just by spending a few bucks on a book Scroll up and click the Buy Now with 1 Click button to receive this book instantly
