Drawing on modern techniques in archaeology and scholarship they reconstruct the history of the 6th century in Britain the period when the first unambiguous references to Arthur appear They explore the history of every Arthur candidate the geographical arguments that have placed him in different locations and the evidence for his life and famous battles fought against the Saxons Was the greatest British hero of all time not a king but a 2nd century Roman officer active around Hadrian's Wall in Cumbria A 5th century soldier who operated in areas as far apart as Cornwall Wales Scotland or Brittany Or an entirely mythical fiction that provided a figure of light during a dark period of British history Examining other literary figures from the 5th century such as Vortigern and Ambrosius the authors also break down the plots of all the major Arthurian romances including those by Chretien de Troyes Sir Thomas Malory and Robert de Boron to reveal the historical events they are based on Piecing together the many fragments that constitute the image of Arthur both the man and the myth the authors show how each face of Arthur has something to offer and how his modern popularity proves the enduring power of the hero myth truly earning Arthur the title he first received in the 15th century The Once and Future King Ancient English Poetry Thomas Percy, 1855 Sir Gawain and the Green Knight James Winny, 1992 This new edition of the poem offers the original text together with a facing page translation With the alliterative Middle English before the reader James Winny provides a non alliterative and sensitively literal rendering in modern English This edition also provides an introduction explanatory and textual notes a further note on some words that present particular difficulties and in the appendices two contemporary stories The Feast of Bricriu and The Knight of the Sword which provide insight on the poem
