The Love Chapter 1 Corinthians 13 The Father S Love Book 4:

My Father and Your Father William Landon,2003-10 This book is an attempt to relate the wonderful biblical truths about the possibility of having a living personal relationship with God This truth comes down through the entire history of the Christian faith as well as in the Bible Yet there is very little teaching or promotion of this truth in organized religion This lack of a presentation of the message of God as our Father results in a corresponding lack of power and freedom for effective daily living in the Christian community Sadly many people in religious organizations not to mention people outside the religious system doubt if a personal relationship with God is even possible This is even sadder when we consider the Bible is very clear on this point The Bible tells us that a personal relationship with God as our Father is not only possible but this relationship is God s greatest desire for us It is Bill Landon s hope that this book will be an encouragement for those people who seek a spiritual life that has more practical impact on their daily living For those who wish to explore the possibilities of a greater peace and fullness in their living this book can be a help God's Love for Us, Our Christian Foundation Jean Anne Stubblefield,2013-01-09 Could you be missing the most important element of your Christian experience Many have been finding their Christian walk much too difficult as a result of giving only a mental nod to God s immeasurable love for them God s Love For Us Our Christian Foundation provides a greater depth of insight into the love that God cherishes for you personally which will empower your faith and enable you to live the victorious overcoming and miraculous life given to you in Christ Jesus *Marilyn's Meditations* Marilyn Daniels,2018-02-12 The Westminster Catechism tells us The chief end of man is to glorify God and enjoy Him forever This has been Marilyn s life long passion Her own faith journey filled with both disappointment and pain adventure and joy has informed her experiences as a mother grandmother counselor and friend As a counselor she has listened to many stories of fear and helplessness even hopelessness and despair as a Bible teacher she has thrilled to see the truths of scripture come alive in hearts that surrendered those feelings to God This book is an accumulation of God thoughts compiled from her morning devotions For those who already have a relationship with Jesus Christ Creator Messiah Savior these meditations will enhance their walk with God For those who are suffering from pain and sorrow stress and anxiety it is Marilyn s hope that God will speak comfort and lift the spirits of those who need to know a solution can be found in Him **I Love You! from the Heart of the Father** Matthew Debord,2010-12-30 Does God really love every single person Am I included on God s invitation list for salvation How can I be sure Well let s ask Him Man has varying opinions on this subject so let s go to the Source God Himself The Bible says every word of God is pure and it declares that God cannot lie Therefore let me assure you that according to God s Word God really does love you yes YOU whoever you are *My Father's Love* Jim A. Talley,Jane Carlile Baker,1992 Book 4 Psychology PB Kurt Jurgensmeier,2012-08-22 What does Scripture say about the human heart The human heart is where we meet God believe Him and obey Him Which is why the psychological use of heart is used over 1000 times in Scripture not including the

hundreds of synonymous references to the human mind spirit soul and conscience Contrary to many there is a lot of psychology in the Bible This book is first a biblical study on the different aspects of the human heart including our reason will and emotions Included is an important chapter on how we change our heart and thus our life Secondly we discuss the dangers of how the Charismatic movement has elevated emotion over reason in both worship and prayer Finally we correct the common mistake in theology of not distinguishing between the abilities of the devil darkened reason of the unregenerated and the Spirit liberated reason of the regenerated In the process we describe the psychological aspects of conversion

Confusors Renford,2010-09-15 The author has published many books articles and essays that take a metaphysical approach to interpreting ancient texts such as the Vedas the Dhampravada the Tao Teh Ching and the Bible He follows no theological dogma nor adopts any philosophical school He teaches in the Renford books and in the Institute of Applied Metaphysics that taking a single approach to exclusion of any other will not produce an accurate picture Some text must be taken metaphysically some as historical and some as physical events in which the witness had little or no point of reference comparable to ours In any other approach one will be interpreting based on a fixed religious tradition or a philosophical bias We have seen many varations on the idea that alien intervention has taken place in our ancient history but this author has gone into greater depth on the difference between Universal Being and the warrior gods depicted in the ancient texts He

Can't See the Forest for the Trees Eldon Adams, 2022-11-15 Sometimes the deepest knowledge of God comes from those who had to trust in Him the most What does this book's title Can't See the Forest for the Trees imply A simple answer is The Forest is symbolic of God's Plan revealed in Bible scripture with all of its mystery to be understood and fulfilled with steadfast belief faith and trust in the power of the Holy Trinity God the Father Jesus Christ the Son and the Holy Spirit one for all all for one God's Plan is a work in progress nearing fulfillment The Trees are symbolic of obstacles like gullibility false teaching false prophecy false doctrine apostasy hate lying deceit evil love of money blind speculation and the like all of which are growing rampant in the United States The message reveals Spiritual Blindness as a curse that God has imposed upon His Church for their lack of true faith in Him not unlike the Israelites as they turn away from the New Covenant Law blindly accepting unsuspected guidance from Satan to employ worldly ways and promote apostasy By misguided faith some may be unprotected by the Armor of God and their failing to cultivate the Fruit of the Spirit makes matters worse The author is hopeful that his book will bring awareness of spiritual blindness to summon a repentant reaction for restoration of religious understanding and direction in line with God's real purpose
