The Apostles' Creed for Today Justo L. González, 2007-01-01 This volume in the popular For Today series written by the highly respected theologian and author Justo González explains the familiar Apostles Creed in easy accessible language González explores not only what the Creed meant in the early centuries but also its ongoing importance and relevance for Christian faith and practice today The For Today series was designed to provide reliable and accessible resources for the study and real life application of important biblical texts theological documents and Christian practices The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today Thought provoking questions are included at the end of each chapter making the books ideal for personal study and group use **Conversations with St. Francis** Rev. James C. Howell, 2008-05-01 If you were able to talk to St Francis of Assisi what would you ask him Perhaps says James Howell the first question I'd want to ask Francis would be something like this How did you do it Were you real How much of your story really happened And I'm asking because I am wondering how I might do it could I somehow grab a share of the life you had The marvel in Francis's story is that all he did

seems entirely doable but then at the same time ridiculously impossible As I survey the bare facts of his life it all seems so manageably simple and yet unquestionably what happened was nothing short of miraculous In this spiritually apt look at the life message and meaning of St Francis Howell invites all of us to pose our most difficult spiritual questions to the saint and to listen for the questions he asks of us in response [A Thematic Access-Oriented Bibliography of Jesus's Resurrection](#) Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *The Beauty of the Word* James C. Howell,2011-01-01 There is no doubt that the task of preaching can sometimes be overwhelming Combining veteran wisdom practicality and a contagious reverence for the beauty of God's Word veteran pastor James C Howell leads pastors and teachers through the joyful and perplexing craft and practice of preaching Drawing on a wide range of resources Howell provides discussions on the Subject Matters of Preaching Where Sermons Happen When Sermons Happen and the Life of the Body The conclusion on The Preaching Self considers the person of the preacher These seasoned reflections will be of great help for all who preach **Preaching and Professing** Ralph C. Wood,2009-01-30 Testifies to the presence of God as both our post earthly hope and our present world existence These thought provoking sermons by Ralph Wood a layman who has taught religion and literature for many years seek to till new soil in the fertile field of Christian faith and life They draw on a wide range of reading not only in Christian theology but also in both classical and contemporary literature and culture And they also mine Wood's own professorial and personal experience in dealing with both the old and the young amid the chances and changes of life Wood squarely engages the American culture of death by wrestling with such vexing questions as sexuality and marriage war and peace abortion racial injustice and abuse of the elderly By grounding his homilies in specific times places and quandaries Wood demonstrates that Christianity remains a vigorous set of doctrines and morals precisely as preaching and ethics give shape to our worship and living in the here and now Focusing not so much on our getting to heaven Wood's Preaching and Professing shows concretely

how the gospel gets heaven into us **The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation**
