The Lonely Guy And The Slightly Older Guy:

The Lonely Guy and The Slightly Older Guy Bruce Jay Friedman, 2007-12-01 The New York Times bestselling author finds the pulse of the aging American male in two ingeniously funny novels I just laughed myself sick Neil Simon Two classic works of comic self help fiction by one of the funniest writers in America available together for the first time in a single ebook edition John Gregory Dunne With its sparkling winsome and true look at the single male in America from his sad new apartment furnishings to his career struggles to the mystifying dating world Bruce Jay Friedman's *The Lonely Guy's* Book of Life was as cringingly relatable to both men and women when it was first published in 1978 as is today The New York Times Book Review The inspiration for Steve Martin's classic cult film comedy *The Lonely Guy* it was hailed as the funniest book of this year or most any other You don't close this book You just start reading it again immediately I loved every page and laughed out loud on most of them Dan Jenkins author of *Semi Tough* and *Dead Solid Perfect* Twenty years later Friedman returned to the subject with *The Slightly Older Guy* finding his quarry no longer alone maybe a little less lonely not so young anymore faltering at fashion pondering a new career but just as resiliently witty Featuring a new afterword *The Considerably Older Guy* offers advice on such topics as divorce grandchildren exercise diet and insomnia If you believe in reading then when a book comes along by Friedman you have to read it It's as simple as that The Washington Post Book World

Violencia! Bruce Jay Friedman, 2007-12-01 An ex NYPD clerk teams up with a shady Broadway producer for a disastrous musical comedy in this hilarious novel by the New York Times bestselling author In addition to his desk job at the precinct Paul Gurney has long been in charge of the department newsletter known as *The Homicider* covering workplace news dispensing advice and disseminating interoffice gossip But now in the wake of a divorce he's decided to retire What will he do next The answer seems to come in the form of a shady Broadway impresario who wants to create a stage musical based on his newsletter Gurney soon finds himself plunging headlong into the world of actors agents singers songwriters hacks hams and con artists As the show *Violencia* moves from rounds of financing by suspect sources to questionable casting calls to a disastrous out of town opening at each stage getting progressively and hilariously worse and worse Gurney enjoys the high living romantic flings and glamour of the entertainment industry But he also comes to realize that show people aren't that different from other people he already knows the thugs lowlifes and cutthroats he's encountered during his career on the homicide squad His writing is so funny and deceptively effortless critics often liken it to a stand up comedy routine The New York Times [American Jewish Fiction](#) Josh Lambert, 2010-01-01 This new volume in the JPS Guides series is a fiction reader's dream a guide to 125 remarkable works of fiction The selection includes a wide range of classic American Jewish novels and story collections from 1867 to the present selected by the author in consultation with a panel of literary scholars and book industry professionals Roth Mailer Kellerman Chabon Ozick Heller and dozens of other celebrated writers are here with their most notable works Each entry includes a book summary with historical context and background on the author

Suggestions for further reading point to other books that match readers interests and favorite writers And the introduction is a fascinating exploration of the history of and important themes in American Jewish Fiction illustrating how Jewish writing in the U S has been in constant dialogue with popular entertainment and intellectual life Included in this guide are lists of book award winners recommended anthologies title author and subject indexes and more [The Collected Short Fiction of Bruce Jay Friedman](#) Bruce Jay Friedman,2007-12-01 An irresistible collection of short fiction by an author who has been likened to everyone from J D Salinger to Woody Allen The New York Times Book Review Hailed by Newsweek as a bona fide literary event The Collected Short Fiction of Bruce Jay Friedman brings together dozens of the New York Times bestselling author s greatest stories which originally appeared in Esquire The New Yorker and other magazines Readers who feel short stories are too high flown too literary arcane and serious will find counterbalance in Friedman whose stories have uncomplicated structures obvious gists intelligible metaphors and unambiguous endings and come wrapped in humor This compilation of his output in the short story form between 1953 and 1995 has a thematic arrangement with categories such as Mother Crazy Youth and Sex Some of the more outstanding pieces are The Subversive about the narrator s air force buddy whom the narrator believed to be the most all American guy he ever met until his friend commits a crazed act The Gent concerning a man who succumbs to a seduction by his best friend s daughter and The Night Boxing Ended in which ringside heckling goes way out of bounds Booklist From poignant bildungsroman to sly satire from wicked comedy to surrealistic farce this virtuosic collection covers more than four decades worth of short stories Friedman explores themes such as loneliness aging fear parenthood and ethnicity spinning tales in an expertly modulated voice Publishers Weekly Friedman is more interesting than most of Malamud Roth and Bellow What makes him more important is that he writes out of the viscera instead of the cerebrum Nelson Algren The Nation Pure delight Newsday *The Current Climate* Bruce Jay Friedman,2007-12-01 Screenwriter Harry Towns continues his misadventures in this novel from a New York Times bestselling author and witty chronicler of urban angst San Francisco Chronicle Set in late 1980s New York this novel continues the story of Harry Towns who is well into his fifties and is feeling increasingly out of place in the world but doesn t let that stop him from pursuing success as a playwright or at least making some quick cash by selling a TV series He has a second wife and a young daughter but he doesn t let that stop him from bedding the occasional hooker and getting mugged along the way It isn t easy getting older but Harry plugs along The only thing that truly paralyzes him is trying to decide whether to get tickets to Cats A triumph Hilarious The Globe and Mail Toronto Harry Towns like his creator shows in the end amazing resilience inventiveness hope and good humor The Washington Post *Stern* Bruce Jay Friedman,2007-12-01 New York Times Bestselling Author A Jewish man struggles in midcentury suburbia in this dark comic novel in the tradition of the Charlie Chaplin movie Time The first novel by Bruce Jay Friedman the author of such classics as The Lonely Guy and A Mother s Kisses Stern tells the story of a young Jewish man who relocates his family from the city to the suburbs where they are

besieged by voracious caterpillars and a bigotry that ranges from the genteel snub to outright confrontation When his wife is accosted by a boorish neighbor Stern begins hatching a plot to exact revenge a painstaking procrastination filled process with hilarious consequences An iridescent tour de force carnal humorous and at times slightly surrealistic The New York Times Book Review A strange and touching novel funny and sad at the same time Time What makes Friedman more interesting than most of Malamud Roth and Bellow is the sense he affords of possibilities larger than the doings and undoings of the Jewish urban bourgeois what makes him more important is that he writes out of the viscera instead of the cerebrum

The Nation *A Mother's Kisses* Bruce Jay Friedman,2000-11-15 A Mother s Kisses is the story of 17 year old Joseph and his mother Meg in the summer after Joseph s high school graduation Meg starts arranging his life for him even going so far as to accompany him to college The Continuum Encyclopedia of American Literature Steven R.
