Best Recipes of the Maritime Provinces, 2012-09-25 Maritime cooking starts with great local produce: lobster, scallops, oysters, blueberries, apples, cranberries, maple syrup and more. There are treasured traditional dishes: hodge podge, baked beans, gingerbread, blueberry grunt as well as the simple but delicious lobster boil. Leading chefs like Craig Flinn of Halifax's Chives restaurant, Michael Howell of The Tempest in Wolfville and many others have come up with wonderful new ways of cooking with fresh local ingredients. *Best Recipes of the Maritime Provinces* brings the traditional and the contemporary together in one great collection. During her many years as Canadian Living magazine's food editor, Elizabeth Baird was a great fan of Maritime cooking. She has visited every corner of the region to research and write about great local producers and cooks and their recipes. To prepare this collection, she started with well over 1,000 recipes published in cookbooks over the past three decades. From those, she has selected 400 recipes by over fifty of the region's leading chefs, including Elaine Elliot and Virginia Lee, whose bestselling *Maritime Flavours* has sold more than 30,000 copies. Also included are tasty recipes from healthy eating champions Maureen Tilley and Sandra Nowlan. This is the book that every Maritime cook will want and that visitors will take home so they can explore the region's rich culinary traditions.

The Peppers, Cracklings, and Knots of Wool Cookbook, Diane M. Spivey, 2000-09-07 Fifteen years in the making, this book emerges as a new approach to presenting culinary information. It showcases a myriad of sumptuous, mouth-watering recipes comprising the many commonalities in ingredients and methods of food preparation of people of color from various parts of the globe. This powerful book traces and documents the continent's agricultural and mineral prosperity and the strong role played by ancient explorers, merchants and travelers from Africa's east and west coasts in making lasting culinary and cultural marks on the United States, the Caribbean, Peru, Brazil, Mexico, India and Southeast Asia. Groundbreaking in its treatment of heritage, survival in African and African American cooking, this illuminating book broadens the scope of cuisine as it examines its historical relationship to a host of subjects including music, advertising, sexual exploitation and publishing. Provocative in its perspective, *The Peppers, Cracklings and Knots of Wool Cookbook* dispels the long-standing misnomer that African cuisine is primitive, unsophisticated or simply non-existent and serves as a reference in understanding how Africa's contributions continue to mark our cuisine and culture today.
