The Bird Box:

Bird Box Josh Malerman, 2014-05-13 Something is out there Something terrifying that must not be seen One glimpse and a person is driven to deadly violence No one knows what it is or where it came from Five years after it began a handful of scattered survivors remain including Malorie and her two young children Living in an abandoned house near the river Malorie has long dreamed of fleeing to a place where her family might be safe But the journey ahead will be terrifying twenty miles downriver in a rowboat blindfolded with nothing to rely on but Malorie's wits and the children's trained ears One wrong choice and they will die And something is following them But is it man animal or monster Engulfed in darkness surrounded by sounds both familiar and frightening Malorie embarks on a harrowing odyssey a trip that takes her into an unseen world and back into the past to the companions who once saved her Under the guidance of the stalwart Tom a motley group of strangers banded together against the unseen terror creating order from the chaos But when supplies ran low they were forced to venture outside and confront the ultimate question in a world gone mad who can really be trusted Interweaving past and present Josh Malerman's breathtaking debut is a horrific and gripping snapshot of a world unraveled that will have you racing to the final page

Bird Box K. J. Steele, 2015-01-27 Society said they were insane and in 1954 that was enough to put someone away in an asylum and separate them from the world Even here though it was possible for souls to flourish Jakie was one such soul He was all but lost until he met the girl She is locked away in a cellar room but he can feel her presence by imagining he is a small bird visiting her through a hole he has made in a stone wall He spends hours whistling a cardinal's song to her and she learns to whistle it back to him She doesn't even know that Jakie exists only the bird but their communication is changing her And the overwhelming protective love that Jakie feels for the girl will compel him to find more of himself than he ever knew there was and through this he will alter their worlds profoundly A remarkable exploration of the spirit a sharp indictment of our blindness to what makes us human and an unforgettable portrait of the power of the will The Bird Box will move you in ways you never anticipated
