BOOK JACKET **American Essays** W. C. Brownell et al, 2015-11-20 THE customary antithesis between American literature and English literature is unfortunate and misleading in that it seems to exclude American authors from the noble roll of those who have contributed to the literature of our mother tongue Of course when we consider it carefully we cannot fail to see that the literature of a language is one and indivisible and that the nativity or the domicile of those who make it matters nothing Just as Alexandrian literature is Greek so American literature is English and as Theocritus demands inclusion in any account of Greek literature so Thoreau cannot be omitted from any history of

English literature as a whole The works of Anthony Hamilton and Rousseau Mme de Sta l and M Maeterlinck are not more indisputably a part of the literature of the French language than the works of Franklin and Emerson of Hawthorne and Poe are part of the literature of the English language **The Best American Essays** Robert Atwan,2001 Compiles the best literary essays of the year 2000 which were originally published in American periodicals **The Oxford Book of American Essays** Various, The Best American Essays, 1991 Joyce Carol Oates,Robert Atwan,1991 Compiles a selection of the best literary essays of the year 1990 which were originally published in American periodicals The Best of Times Wyn Wachhorst,2016-01-06 Old time radio the folk revival the golden age of science fiction steam railroads baseball the Western and other genres color our images of the 1950s But contrary to the countercultural myth that America during this period was a sterile soulless society culturally and intellectually empty it was an introspective era of innovation and creativity the seedtime of the sixties the harbinger of which was the urban folk revival The Best of Times presents a collection of essays each followed by a related memoir focusing on postwar popular culture exploring topics that mark the era but are also nostalgic in themselves the comforting continuity of long running radio shows train whistles that brought the sweet sorrow of distance to small town nights lazy summers of baseball endless stretches of unknown lands to the West that once compelled the imagination the heroes and vagabonds of folksong who roamed a simpler world and dreams of alien civilizations on neighboring planets deepened by the dawning reality of spaceflight These pieces balance personal cultural and mythic nostalgia recalling author Wyn Wachhorst s youth the postwar era and its dreams of a fabled West or Norman Rockwell s small town America Blending history memoir imagery and analysis this collection of essays offers poetic reflections on the nature of nostalgia and postwar America **Selected Amazon Reviews** Kevin Killian,2024-11-26 A book length selection from Kevin Killian s legendary corpus of more than two thousand product reviews posted on Amazon com An enchanting roll of duct tape Love Actually on Blu ray Disc The Toaster Oven Cookbook The Biography of Stevie Nicks and an anthology of poets who died of AIDS In this only book length selection from his legendary corpus of more than two thousand product reviews posted on Amazon com sagacious shopper Kevin Killian holds forth on these household essentials and many many many others The beloved author of more than a dozen volumes of innovative poetry fiction drama and scholarship Killian was for decades a charismatic participant in San Francisco s New Narrative writing circle From 2003 2019 he was also one of Amazon s most prolific reviewers rising to rarefied Top 100 and Hall of Fame status on the site Alternately hilarious and heartfelt Killian s commentaries consider an incredible variety of items each review a literary escapade hidden in plain sight amongst the retailer s endless pages of user generated content Selected Amazon Reviews at last gathers an appropriately wide swath of this material between two covers revealing the project to be a unified whole and always more than a lark Some for verified purchases others for products enjoyed in theory Killian s reviews draw on the influential strategies of New Narrative his unrivaled fandom for both elevated and popular culture and the fine art of fabulation Many of them are
