must carve a new unpredictable and ominous path into an uncertain future if the Kyn are to survive As the pitiless trail twists and turns leaving undeniable scars in its wake will Raine and Gavin be able to hold their own or fall under the weight of secrets haunting the shadows SHADOW S FALL is the sixth and final novel in the complete series the Kyn Kronicles a mix of dark urban fantasy and paranormal romance that treads the edge of danger This spellbinding series is meant to be read with the lights on and in order Fans of KF Breene Shannon Mayer and T R Cameron agree that this vivid paranormal action packed series is not to be missed The Pegasus Passion Victoria James,2011-09-26 In a remarkable debut dynamic expressive and entirely distinctive Victoria James weaves a tale of adventure and self discovery bringing to life unique characters and a heroine whose journey forces her to see who she is and what she is capable of The year is 1666 and Jillian dreams of a life of adventure beyond the barriers of her seemingly normal existence In an instant her simple life vanishes when she is taken by pirates on a journey where Jillian discovers who she truly is Met with danger and adventure beyond her wildest dreams Jillian finds that she has powers and abilities that she doesn t fully understand She finds love with Gavin the handsome first mate and when they first consummate their love unbeknownst to them a family prophecy is fulfilled a prophecy that holds captive a family of women who are the keepers of the souls Terrance the Captain of the Pegasus fell in love with Sybil Chandler the first moment he saw her seventeen years before His mission was to take Sybil and Jillian with him to live as a family But when Sybil refused to come he was left with no choice but to leave without her and take only Jillian Little did he know that his actions would not only change his life but cause a chain of events that would guide them all on a voyage of enchantment and danger Evil finds its way into their lives Through unimaginable strife adventure and survival Jillian lives to discover how to use her powers to conquer the evil that is determined to destroy them all and become a part of her forever *The Scottish Law Reporter* ,1882 Roger Moore's James Bond - The Retrospective John Fox,2022-11-19 Modern Bond retrospectives lazily tend to almost completely dismiss Roger Moore s tenure as James Bond He is frequently called the worst Bond and his movies are dismissed as Carry On style romps Roger would even make light of this himself The truth is though that Roger was a great Bond Sure he maybe made a couple of films too many and the comedic elements of his films sometimes got out of hand but the Roger Moore years constitute the most fun era of Bond If you sit down and watch one of Roger s Bond films you are guaranteed to have a good time Roger Moore s Bond is Christmas Day afternoon John Barry Ken Adam Lewis Gilbert Carly Simon crazy stunts quips Caroline Munro in a helicopter underwater bases Jaws Jane Seymour the Lotus parachutes jet planes space battles crocodiles ski chases casinos tuxedos double entendres The Roger Moore era of Bond wasn t terrible or embarrassing It was fantastic In the book that follows we shall take a deep dive into the Roger Moore era of Bond and explore his tenure from start to finish We ll assess the strengths and weaknesses of both Roger s Bond and his films but most of all this book is a celebration of Roger Moore s James Bond and the years he spent suavely karate chopping baddies in a selection of safari suits and cream flares Roger s amazing contribution to the Bond franchise is

far too often derided and mocked these days This book will hopefully serve as an entertaining and robust defence of Roger Moore and his incarnation of James Bond      **The Actors Who Could Have Been James Bond** John Fox, 2021-11-18 The enduring success of the James Bond franchise has made the casting of a new Bond actor a very big deal in the film and entertainment industry Tabloids and entertainment clickbait sites love nothing more than constantly speculating wrongly of course on who the next Bond actor might be Taking on the part of James Bond is like playing the lead in Hamlet Doctor Who Sherlock Holmes or Batman Others have played the part before you and others will play the part after you Speculation about the next incumbent is therefore inevitable unavoidable and endless It is a constant background hum even when someone else actually has the part More people have walked on the moon than played James Bond Despite the longevity of the franchise the Bond actors themselves remain a small and exclusive club There are however dozens of actors who might potentially have played James Bond through the decades if only fate hadn't intervened In the book which follows we will leave no stone unturned in an attempt to find out how many potential Bond actors there have been since 1962 There is a fascinating alternative cinema universe where the Bond actors are completely different from the ones we ended up with in our own familiar movie dimension In this book we will explore what that alternative James Bond universe might plausibly have looked like
