Davis,2006-04-26 Pat Davis grew up in a small town in Wisconsin Hes about to embark on a journey that would change his life forever While his mother and sister take him to college in their familys station wagon they reminisce about the many childhood adventures of the wonderful decade of the 60s His large family combined with a neighborhood of boys is the perfect ingredient to conjure up stories that contain humorous adolescent behavior along with heartfelt emotions Although his limited travels have brought him many memories and revelations this time he discovers something he wasnt looking for Boys' Life ,1953-05 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting *Monkey Island* Thom Weekley,2011-09-16 Mary Francis Colt loved her job working as a secretary for John Fulton public defender For a girl growing up in Lakeview a small Florida town in the turbulent 1960s it was a solid opportunity for a better life Mary Francis dreamed of bigger and better things But that all comes crashing down when she is kidnapped by Bonelle Jackson the irrational and dangerous mother of two men her boss helped sent to jail When their mothers plot to break them out of jail is foiled and one of the sons is killed by police Bonelle brutally murders the innocent Mary Francis and abandons her mutilated body in the swamps Soon law enforcement officials are hot on the manhunt for the escaped convicts and their murderous mother Benji Goldman and Charlie Pepper become involved when they discover the body of Junebug Black floating in the water off of Monkey Island in Lake Harris Now they must determine if these two murders relatedbefore another person winds up dead Armor ,2003 *Burny's Journeys* Brian Finkle,2004 It s one man s story from childhood to his mid fifties and counting He never went looking for adventures or answers to life but because of timing coincidences synchronicities call it what you will that started early and have never ended he has been blessed with a lifetime of stories and then some He spent his first twenty years in small town Iowa before the U S Army decided that they had a need for him It was February of 1968 and it proved to be a bad time to be entering the military After a year in Vietnam he came home intact but a changed young man He packed up a van and headed west with everything he owned Except for the baseball cards that his parents had already thrown away Damn After joining Vietnam

Veterans Against the War John Kerry was their president he went to D C and threw his medals away on the Capitol steps with a thousand or so other vets who realized that as a country we could make mistakes and this time we had He was thrown in jail in Denver with 78 other vets for simply trying to march as an organization in the Veteran s Day Parade It was a tough time for people to stand up to their government but he felt it was important and so did many people Those actions changed the direction of our country Maybe something like this the author suggests is needed again today After some bad relationships he hit the road for 2 1 2 years without an address to call his own He spent two fairy tale winters in Mexico and Guatemala where he explored caves found untouched ceynotes met many characters as well as great friends and all the while he compiled stories It was then that he began journaling and has never stopped nearly 30 years later and neither have the stories He had the most vivid dream of his life which magically eventually led him to his lovely bride They have now shared the past quarter of a century together including kids and grandkids It s all there along with the lessons and confessions
