institut The Lost Tombs of Saqqara Alain-Pierre Zivie, 2007 Located south of Cairo Saqqara the principal necropolis of Memphis is a privileged site in Egyptian history There Egyptian and foreign Egyptologists have made many discoveries in particular French archaeologists Auguste Mariette Gaston Maspero and Victor Loret in the past Jean Philippe Lauer who passed away at the dawn of his one hundredth year 2001 and in these last decades Jean Leclant founder of the French Archaeological Mission of Saqqara In this distinguished line of egyptologists Alain Zivie and his team of the French Archaeological Mission of the Bubasteion have spent the last twenty five years examining from the sands of Saqqara a major New Kingdom cemetery that was later transformed into catacombs of cats They have brought to light the tomb of the vizier Aper El with its burial treasure and those of the painter Thothmes of Maia the foster mother of Tutankhamun of an ambassador of Ramesses II of the scribe of the Aten treasury in Memphis and of others as well Presenting the archaeological historical and artistic consequences of these investigations and these discoveries the egyptologist here takes an approach that is sensitive to an authentic scientific adventure To do this he also uses and comments on a long series of beautiful photographs by Patrick Chapuis in which we discover the works and the days as well as the joys of an entire team BOOK JACKET **Gertie's Paranormal Plantation** Melanie James, 2024-08-06 Everyone's favorite witch Gertie O Leary is back And she has a story of her own to tell One thing I've learned about running a shelter for paranormal creatures you can't afford to let your guard down It all started when I welcomed an enchanting new guest to my plantation Strange things started to happen Well more strange than usual I was caught off guard by some conflicting feelings and it spurred me on to get Brad the love of my life committed To moving in with me that is In any case I was willing to do whatever it took love spells black magic and something so naughty I'd rather not mention it here Nothing worked out quite the way I planned and I ended up having to go to hell and back just to save myself If it wasn't for Marie Laveau and the rest of my friends I wouldn't be able to share this tale with you in my memoir Gertie's Paranormal Plantation When you run a shelter for paranormal creatures you can't afford to let your guard down Gertie O Leary a carefree and quite naive witch welcomes an enchanting new guest to the plantation and finds herself caught up in an ancient struggle Can Marie Laveau and the gang pull together to save Gertie and her love life Love lust and laughs await at Gertie's Paranormal Plantation Paradise Reframed Tobias Gabel, 2016-06-06 In 1677 John Dryden poet laureate to the restored Charles II published *The State of Innocence* Emphatically advertised on its title page as an opera Dryden's book was based on *Paradise Lost* John Milton's 1667 epic about the fall and eventual restoration of mankind In the heated political climate of the 1670s the publication of this libretto suggested the bold and cunning appropriation of an idiosyncratic text widely viewed even then as a mirror of its author's theological and political opposition to the Restoration establishment Focusing on the historical background to Dryden's reframing of *Paradise Lost* this study recovers the various and often surprising contexts in which both works were written ranging from Restoration foreign and domestic policy to the contemporary book market and early modern habits of

interpretation As becomes clear the process of adaptation by which Dryden Servant to His Majesty reconfigures Paradise Lost as an affirmatively royalist text skillfully defuses the radical and subversive potential of Milton s original while at the same time substituting through prefaces and topical allusions a clear political message of Dryden s own Seen together in their shared cultural historical context the intertwined histories of both texts shed light on the deeply politicised nature of Restoration literary culture offering a fresh view of the early reception history of a disputed and pre canonical Paradise Lost
