

BUCKINGHAM PALACE

As the Coronation weekend draws to a close, my wife and I just wanted to share our most sincere and heartfelt thanks to all those who have helped to make this such a special occasion.

We pay particular tribute to the countless people who have given their time and dedication to ensuring that the celebrations in London, Windsor and further afield were as happy, safe and enjoyable as possible.

To those who joined in the celebrations - whether at home, at street parties and lunches, or by volunteering in communities - we thank you, each and every one. To know that we have your support and encouragement, and to witness your kindness expressed in so many different ways, has been the greatest possible Coronation gift, as we now rededicate our lives to serving the people of the United Kingdom, the Realms and Commonwealth.

A handwritten signature in black ink, appearing to read 'Charles R.', with a long, sweeping underline.

Wortman, 2013-10-31 This new and abridged edition of *Scenarios of Power* is a concise version of Richard Wortman's award winning study of Russian monarchy from the seventeenth century until 1917 The author breaks new ground by showing how imperial ceremony and imagery were not simply displays of the majesty of the sovereign and his entourage but also instruments central to the exercise of absolute power in a multinational empire In developing this interpretation Wortman presents vivid descriptions of coronations funerals parades trips through the realm and historical celebrations and reveals how these ceremonies were constructed or reconstructed to fit the political and cultural narratives in the lives and reigns of successive tsars He describes the upbringing of the heirs as well as their roles in these narratives and relates their experiences to the persistence of absolute monarchy in Russia long after its demise in Europe President Radhakrishnan's Speeches and Writings Sarvepalli Radhakrishnan, 1965 **The York Mystery Cycle and the Worship of the City** Pamela M.
