**Thoughts to Enlighten and Empower the Mind** Errol A. Gibbs,Philip A. Grey,2011-06-16 Thoughts to Enlighten and Empower the Mind is a compilation of two thousand and one questions and philosophical thoughts extracted from the authors seminal work Five Foundations of Human Development These thoughts follow the same chronology of information that helps to promote fulfilling lives through human development from spiritual moral social intellectual and physical perspectives The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow our thoughts to permeate our minds with hope and optimism for the future of humanity Gibbs and Grey support the premise put forward by many great writers who contend that our thoughts determine happiness and effectiveness in life Our thoughts and our

emotions have a great influence on our carnal impulses and desires We nurture good and bad thoughts and human effort alone is insufficient to properly manage them Negative thoughts establish barriers to communications and harmonious living Positive thoughts radiate harmony among individuals and nations More importantly those in positions of great power who lead humanity must by their thoughts help to create a better world or inadvertently plunge humanity into great chaos as has been recorded in six thousand years of human history Only a mind that is free of unhealthy thoughts transcends a life of fulfillment Positive thoughts permeate our beings and open up new frontiers of positive leadership for the modern age The global significance of this book is that it informs a more communal view of our world by virtue of the conditioning of our thoughts It will help inform enlighten and empower the minds of leaders to embrace every field of endeavor including engineering science religion politics the military and the environment This will be accomplished with the most vital creative and positive thoughts that rise to a high level of responsibility for the betterment of all humanity **Five Foundations of**

**Human Development** Errol A. Gibbs, Philip A. Grey, 2011-06-08 Five Foundations of Human Development FFHD is a philosophical religious and practical discourse on human development based on the following five foundations Spiritual Moral Social Intellectual and Physical The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow Spiritual Intelligence to underpin human intelligence as our capable guide The indomitable spirit within human beings that brought civilization out of the Dark Ages and into an Age of Enlightenment demonstrates our capacity to transcend moral hope and optimism for a better world with peaceful coexistence among individuals families and nations This book will help inform enlighten and empower individuals and leaders in such fields as engineering science religion politics the military and other great institutions to engender solutions to the myriad of unsolved problems of past centuries problems of the present and emerging problems of the future Problems such as wars genocide greed and the exploitation of human beings begin within our destructive spiritual nature and manifest in the physical nature Therefore solutions also lie in the spiritual realm as a counterbalance to the natural realm of human existence FFHD is a blueprint for human survival based on adherence to physical laws and spiritual laws that transcend a belief in an omnipotent all powerful omnipresent everywhere and omniscient all knowing being It will awaken the conscience to comprehend the lifethreatening issues that face humankind The solutions therefore cannot merely be left only to the educated elite the military forces and those in high public and private office The global significance of this book is that it informs a more communal view of our world It is the only perspective that will allow us to enter the global village prepared for the racial social cultural environmental and economic challenges that lie ahead **American Book Publishing Record** ,2006 Reading Skills for College Students Ophelia H.
