Counseling and Family Therapy with Latino Populations Robert L. Smith, R. Esteban Montilla, 2013-02-01 For the Latino population the family bond is powerful and enduring Family serves as the primary source of support care guidance and healing all difficulties that arise for an individual are surmounted together Therefore a practitioner working with a Latino client must gain the trust and respect of the family in order to carry out treatment efficiently He or she must essentially become a part of that family to encourage members to share their issues without the concern of breaching the confidence of the family *Counseling and Family Therapy with Latino Populations* helps the therapist to join the Latino family in order to identify and explore the difficulties that threaten their welfare With this fundamental principle as the basis the book's editors and contributors write chapters that focus on work with children and adolescents group counseling and

substance abuse counseling They incorporate specific case studies methods and strategies for intervention and provide insight into the cultural relevance behind each example This book is a necessary resource for therapists working with Latino clients who wish to offer effective techniques while continuing to value the integrity of family tradition Among the Hidden: Study Guide and Student Workbook (Enhanced ebook), 2011-03 A Complete Course in ISC Biology V.
