

Church Welcome Speech

I want to take a moment to extend a very warm welcome to everyone who's visiting us for the first time this morning. Whether you're just having a look, or are searching out for a place to worship, we're delighted to have you here.

To give you some idea of what we're all about, I'll quickly sketch some of our foundational beliefs.

Our vision says this: Getting and growing people in relationship with Jesus.

So firstly, we're all about Jesus Christ. We believe that Jesus was who he said he was, the Son of God who came and died for our sins. So if this is your first time in church, we hope that get to know Him as we do, because He's truly what life is all about for us!

Secondly we're all about people. Every person who walks through our doors is important to us, so if you ever feel like just another number, we're doing something wrong and I give you permission to tell me about it.

As a group of God's people we care about you and your family and we're here not only to feed you spiritually, but to help in any way we can. We love doing it and it's why we exist!

McKenzie,2004
Pastors are called to an exciting ministry of proclamation and leadership That excitement however often turns to demoralization and burnout as pastors become increasingly uncertain of what their role is supposed to be Competing claims by the congregation the denomination and society about who and what the pastor is supposed to be breed confusion and disappointment A way out of this confusion lies in reclaiming the biblical understanding of who the pastor is One of the biblical roles within the pastoral vocation that often goes neglected is that of wise teacher or sage Scripture presents as a model of pastoral leadership those who interpret the word and will of God for daily living Especially in their preaching pastors are called to help the congregation understand their place in God s world In this book Alyce McKenzie lays out the four qualities of the wise teacher the bended knee the listening heart the cool head and the courageous voice and encourages

pastors to make each of these integral to their ministry and vocation She goes on to demonstrate that the sermon is the prime opportunity to function in the role of wise teacher She offers strategies for applying biblical wisdom to all areas of everyday life **The Monthly Miscellany** ,1843 The Earthen Vessel and Christian Record & Review ,1854 **Faith in Markets** Joseph P. Slaughter,2023-11-14 In the first half of the nineteenth century the United States saw both a series of Protestant religious revivals and the dramatic expansion of the marketplace Although today conservative Protestantism is associated with laissez faire capitalism many of the nineteenth century believers who experienced these transformations offered different competing visions of the link between commerce and Christianity Joseph P Slaughter offers a new account of the interplay between religion and capitalism in American history by telling the stories of the Protestant entrepreneurs who established businesses to serve as agents of cultural and economic reform Faith in Markets examines three Christian business enterprises and the visions of a Christian marketplace they represented Shaped by Pietist Calvinist and Arminian theologies each offered different answers to the question of what a moral Christian market should look like George Rapp Associates operated sophisticated textile factories as the business side of the model community the Harmony Society which practiced communal living in pursuit of a harmonious workforce The Pioneer Stage Coach Line provided transportation services only six days a week to keep Sunday sacred attempting to reform society by outcompeting less pious businesses The publisher Harper Brothers sought to elevate American culture through commerce by producing virtuous products like lavishly illustrated Bibles Drawing on a wide range of sources Faith in Markets explores how the founders and owners of these enterprises infused their faith into their businesses and in turn how distinctly religious businesses shaped American capitalism and society **John Lightfoot's Journals of the Westminster Assembly** Chad Van Dixhoorn,2023-03-31 What has by convention been called John Lightfoot s journal is in fact a four volume series of journals the first of which has never been published The journals are presented here in their entirety for the first time John Lightfoot s journals cover a period in the author s life when he was a member of the famous assembly of divines meeting in Westminster Abbey The Westminster assembly 1643 1653 was comprised of approximately thirty members of parliament and 120 ministers By the outbreak of the war in England in 1642 a majority in the Long Parliament had come to see it as its duty to renovate the Church of England both bringing it into line with a more biblical code and up to date with the best Reformed Churches Lightfoot s personal diary is of critical importance to assembly history because his meticulous little volumes supply the only account of the assembly s activities for sessions 1 44 and the only fulsome account for sessions 120 154 where the assembly s own minutes are missing For the sessions where the assembly s minutes are extant Lightfoot offers another set of eyes often supplying additional information and a perspective differing from the assembly s own scribe These sessions record the gathering s opening ceremonies surprising fractious debates over the Thirty nine Articles and predictably heated conflicts between Episcopalians Presbyterians and Congregationalists over church governance Lightfoot describes riots outside parliament names meeting

places for MPs and assembly members in London and attempts to explain assembly dynamics in a way that The Minutes and Papers of the assembly do not The four volume journal ends abruptly after eighteen months in December 1644 The body of this volume contains the full text of Lightfoot s surviving journals accompanied by interpretive introductions for each session and editorial notation throughout The introduction sets in context the author s life prior to and during the Westminster assembly and discusses the careful composition potential audience and checkered transmission of the journals **The Original secession magazine** ,1868
