mattress on which I m perched bouncing up with a dull resonating twang and jabbing me unexpectedly right in the behind For a second I m not sure whether I m about to cry or burst into hysterical laughter But then the first tear falls and before I know it I m in the foetal position my body shaking with self pity as I clench my mouth and eyes closed against the oncoming storm of sobs The last thing I need right now is for my three new peers downstairs to overhear my outburst but after weeks of holding it all in I guess that just like Yellowstone I ve been overdue for an eruption All I can do is bury my face in my knees and try to muffle my crying as my tears slowly soak through my jeans
