Ezra Pound s writing criticism and reviews on art      **ANATOMY of a LIFE** Penelope Meriwether, 2013-05 I ve had a rough life and unless it was so I would not have even considered sharing my story since while writing I have found it hard to believe that I was so lost so dark so empty and as co dependent as any other person in any other abusive relationship I have ever met something I ve never acknowledged before now Don t worry though I won t bore you with another sad story of childhood abuse and neglect even though I was an unloved emotionally and psychologically abused slave child which was pretty awful in my opinion if only because of being the one who had to live it however I do want to touch on those parts that I believe had the biggest impact on the forming of my mind Those parts that include the fear favoritism criticism traumatic experiences and inner anger I grew up with which led to the outward anger hostility anxiety lack of self esteem neediness co dependency and depression I experienced for my entire adult life up until this point My upbringing doomed me to seek love wherever I believed I could find it starting out by marrying the first man I ever dated in order to escape my abusive childhood home My husband and I divorce four years later and in doing so I abandon my first two children which leads to subjecting myself to

drunkenness and sexual promiscuity followed by seven years of torment from a violently abusive lying child molesting drug addicted alcoholic boyfriend whom I end up marrying After multiple abortions I am blessed with a daughter face down a demon divorce for the second time find the love of my life give birth to another son and then the battle against my life threatening depression begins while maintaining a faade of normalcy Throughout my life I find God then lose Him then find Him once more with my relationship with the Lord being based entirely on what was happening in my tumultuous life at any given moment although it is this relationship that saves me during my darkest moments whether I knew it or not Anatomy of a Life is a haunting and heart rending memoir which starts as a child s normal life but eventually turns into one of tragedy once one abuser after another places their eternal prints on a young girl s psyche Forty five years later through the love of her husband and children as well as her faith in God s promises Penelope has survived and though still a battle at times is thriving Hopefully this story will strike a chord with those who have lived through similar circumstances eventually seeing that there is a light at the end of whatever dark tunnel you may be traveling
