Unsettling Eli Bromberg,2020-11-13 By analyzing how various media told stories about Jewish celebrities and incest Unsettling illustrates how Jewish community protective politics impacted the representation of white male Jewish masculinity in the 1990s Chapters on Woody Allen Roseanne Barr and Henry Roth demonstrate how media coverage of their respective incest denials Allen allegations Barr and confessions Roth intersect with a history of sexual antisemitism while an introductory chapter on Jewish second wave feminist criticism of Sigmund Freud considers how Freud became white in these discussions Unsettling reveals how film TV and literature have helped displace once prevalent antisemitic stereotypes onto those who are non Jewish nonwhite and poor In considering how whiteness functions for an ethnoreligious group with historic vulnerability to incest stereotype as well as contemporary white privilege Unsettling demonstrates how white Jewish men accused of incest and even those who defiantly confess it became improbably sympathetic figures representing supposed white male vulnerability

In Living Color Bernadette Giacomazzo,2023-02-15 An entertaining yet candid examination of the popular sketch show In Living Color When the pilot for In Living Color aired for the first time on April 15 1990 America had never seen anything like it And they loved it Over five seasons the show broke racial cultural and comedy boundaries creating unforgettable sketches that dealt almost exclusively with Black subject matter In Living Color A Cultural History celebrates the iconic show and its creators while also providing a conscientious examination of the sketches themselves Bernadette Giacomazzo reveals how the show successfully tackled topics that are still salient today from diversity in Hollywood and workplace racism to mass incarceration and blackfishing while other

sketches have not aged quite so well Giacomazzo also looks at how the show helped break the careers of Jamie Foxx Jim Carrey and David Alan Grier amongst others and how its most infamous sketches such as Fire Marshall Bill Homey the Clown East Hollywood Squares and Men on Film helped shape comedy in the twenty first century In Living Color was one of the few sketch shows of the 1990s that effectively tackled racial and social issues with humor It did so more successfully than Saturday Night Live ever did because unlike the long standing late night show In Living Color had a largely Black writer s room This cultural history finally gives the influential show and its creators the recognition they deserve for their role in changing the face of television

The B Word Maria San Filippo,2013-04-12 Often disguised in public discourse by terms like gay homoerotic homosocial or queer bisexuality is strangely absent from queer studies and virtually untreated in film and media criticism Maria San Filippo aims to explore the central role bisexuality plays in contemporary screen culture establishing its importance in representation marketing and spectatorship By examining a variety of media genres including art cinema sexploitation cinema and vampire films bromances and series television San Filippo discovers missed moments where bisexual readings of these texts reveal a more malleable notion of subjectivity and eroticism San Filippo s work moves beyond the subject of heteronormativity and responds to compulsory monosexuality where it s not necessarily a couple s gender that is at issue but rather that an individual chooses one or the other The B Word transcends dominant relational formation gay straight or otherwise and brings a discursive voice to the field of queer and film studies
