and in diverse newsrooms It now offers special consideration of ethical concerns In newsrooms where the management structure is increasingly flat everyone needs to be a coach this book will teach them how The Art of Public Writing Zachary Michael Jack,2020-10-28 Today s professionals recognize the need to elevate written communication beyond argument driven pedantry political polemic and obtuse pontification Whether the goal is to write the next serious work of best selling nonfiction to develop a platform as a public scholar or simply to craft clear and concise workplace communication The Art of Public Writing demystifies the process showing why it s not just nice but necessary to connect with those inside and outside one s area of expertise Drawing on a diverse set of examples ranging from Charles Darwin s On the Origin of Species to Steven Levitt s Freakonomics Zachary Michael Jack offers invaluable advice for researchers scholars and working professionals determined to help interpret field specific debates for wider audiences address complex issues in the public sphere and successfully engage audiences beyond the Corner Office and the Ivory Tower **Writing for Others, Writing for Ourselves** Jerry Lanson,2010 Using a narrative thread that ties practical advice to his personal experience as a professor reporter and blogger Jerry Lanson fills his book on nonfiction story telling with time proven techniques to beat writer s block and hone the skills necessary to write well Writing for Others Writing for Ourselves provides readers of all ages a practical guide to perfecting their own work From showing how to frame ideas early to how to gather and choose telling details for story Lanson shares tips techniques and lessons that will sharpen and enliven any writer s work **Mediapolitik** Lee Edwards,2001 Drawing upon his lifelong study of politics and journalism political historian Lee Edwards offers the first scholarly examination of a powerful new phenomenon in world politics the mass media Edwards argues in his far ranging and innovative work that the media have become as important a factor in determining the course of international affairs and the future of nations as economic prosperity military strength natural resources and national will The author calls this vital new component of world politics mediapolitik He uses case studies from around the world to show how the mass media have influenced and even determined the outcome of major political acts such as the collapse of communism in Eastern and Central Europe the Tiananmen Square massacre in China the ousting of Chilean dictator Augusto Pinochet and the political resurrection of South Africa s Nelson Mandela The author argues that these case studies show that the mass media can either enrich or enslave the human spirit depending upon their moral foundation If the media follow a liberal democratic model as in the United States and Western Europe they contribute to a free and just society If they follow an authoritarian model as in South Africa before Mandela or a totalitarian model as in Saddam Hussein s Iraq or Fidel Castro s Cuba they perpetuate the regime in power and deny the fruits of freedom and democracy to the people Edwards addresses the question of how responsibly the American media the most influential media in the world handle their enormous power Using the results obtained from his survey of 100 leading journalists as well as close analysis of major news stories of the last decade the author confirms the rampant cynicism of the American media and its deleterious effect on American politics and

government The solution he suggests is that American journalists must practice moral responsibility and strengthen the liberal democratic model of mediapolitik around the world ABOUT THE AUTHOR Lee Edwards is senior fellow at the Heritage Foundation and adjunct associate professor of politics at The Catholic University of America He is senior editor of The World I magazine and author or editor of numerous books including The Collapse of Communism The Conservative Revolution The Power of Ideas The Heritage Foundation at 25 Years and Goldwater The Man Who Made a Revolution PRAISE FOR THE BOOK Mediapolitik is a broad gauged survey of what the mass media is and how it works around the world There is scarcely an issue or debate within media and media watching circles that Mr Edwards does not touch on and analyze with care and precision Reading Mediapolitik is the equivalent of at least a semester s worth of J School and more fun Washington Times Mediapolitik is superb a much needed comprehensive study of a crucial topic It is full of insight in its analysis and wisdom in its conclusions Peter W Rodman former Deputy Assistant to the President for National Security Affairs A revealing study of the mass media s impact on world politics You may not agree with all of his conclusions but Mediapolitik is well worth reading Hal Bruno former political director ABC News Edwards is a sterling advocate for more responsibility in journalism His cogent insights are always worthy of study and debate Stephen Hess The Brookings Institution author of The Little Book of Campaign Etiquette The author s case studies are valuable No one to my knowledge has presented such information and analysis in such a systematic fashion Prof Marvin Olasky Acton Institute A very plausible and reliable overview of the impact of changes in news and entertainment media on the politics of our world The **Global Writing for Public Relations** Arhlene A. Flowers,2015-12-07 Global Writing for Public Relations Connecting in English with Stakeholders and Publics Worldwide provides multiple resources to help students and public relations practitioners learn best practices for writing in English to communicate and connect with a global marketplace Author Arhlene Flowers has created a new approach on writing for public relations by combining intercultural communication international public relations and effective public relations writing techniques Global Writing for Public Relations offers the following features Insight into the evolution of English language communication in business and public relations as well as theoretical and political debates on global English and globalization An understanding of both a global thematic and customized local approach in creating public relations campaigns and written materials Strategic questions to help writers develop critical thinking skills and understand how to create meaningful communications materials for specific audiences Storytelling skills that help writers craft compelling content Real world global examples from diverse industries that illustrate creative solutions Step by step guidance on writing public relations materials with easy to follow templates to reach traditional and online media consumers and businesses Self evaluation and creative thinking exercises to improve cultural literacy grammar punctuation and editing skills for enhanced clarity and Supplemental online resources for educators and students English is the go to business language across the world and this book combines the author s experience training students and seasoned

Taking on the Pledge of Allegiance Ronald Bishop, 2012-02-01 Taking on the Pledge of Allegiance explores the landmark lawsuit filed by avowed atheist Michael Newdow against the Elk Grove Unified School District in California in which he claimed the words under God in the Pledge of Allegiance amounted to an unconstitutional endorsement of religion Newdow's original suit was ignored by the public and the news media until June 26 2002 when the Ninth Circuit Court of Appeals ruled that the Pledge of Allegiance was unconstitutional This decision touched off a firestorm of negative reaction both from politicians and from the public The U S Supreme Court eventually overturned the ruling on Flag Day 2004 This book contains interviews with many of the parties involved including Newdow and journalists who covered the case Ronald Bishop examines how the news media marginalized Newdow after the Ninth Circuit's ruling acting as a guard dog for the government and for the ideas supposedly at the ideological heart of America by framing the decision as an aberration a radical act by a hopelessly liberal federal circuit court Bishop concludes that journalists relegated Newdow to a rhetorical protest zone he was heard but from a safe distance

Christian Academic Writing Benjamin L. Merkle, Adrienne Cheek Miles, 2024-03-19 The journey of writing and publishing includes obstacles such as writer's block fear of rejection getting overwhelmed by information feeling inadequate and not finding enough time How is it that some are able to consistently produce work while others struggle to cross the finish line This concise guide to writing in Christian academic settings offers twelve practices and principles for becoming a successful writer It is written by two authors with a proven track record of publishing success who have a passion for helping students and budding authors improve their writing This book distills their years of experience to offer inspiration and encouragement for writing and publishing academic works It is ideal for students writing papers in Christian academic settings and for young academics who want to further develop their writing skills Christian Academic Writing is full of helpful and proven advice that will motivate readers to reach their goals It focuses on best practices and emphasizes the finished product Each short readable chapter includes questions inviting readers to take their writing to the next level
