2 pages | 379 words

Thank you all for coming on this special day to celebrate the graduation of the Pre-K "Rockstars" class of 2011. This is a monumental occasion in the lives of our children. It is also a time to recognize the outstanding work and support of all the staff here, the parents, and most of all the students. Just looking around at the smiling faces says so much about the culture here at our school. Each morning, my heart just melts, when I see those smiling faces that are followed by their warm embraces which continually remind me of why I love teaching and how lucky I am to be a part of their lives. I am so impressed with their progress this year and they have grown to see learning as fun, exciting with a passion that will help them as they advance with their education. Looking ahead, our children are very well equipped to take on the next part of their personal and educational lives. They have formed have a strong foundation and I feel especially confident that we have given our children a great start in life with the knowledge of many priceless lessons. So, To the Class of 2011, Pre-K Rockstars, "My Chickadees":

- challenge yourself
- have a kind heart
- enjoy learning
- give back to others
- laugh and love
- And be all you can be!

In closing, I would like to dedicate this poem to my special chickadees...This one is for you.... "To My Special Chickadees" I want to let know,

How much you mean to me And how fast the year did go! Please come back to visit me All through the years you grow, Try to learn and love all that you can There is so much for you to know I'm glad I am your teacher I've come to love you so, I can't believe the end is here. It is so hard to see you go The one thing I tried to teach you to last your whole life through, Is to know that you always be "my special chickadees" And there's is no one else like you! So it's with all my heart

I send you on your way, with great hope and expectations for years of happiness and bliss to stay.

Name Dropping Jane Heller, 2016-04-26 This tale of murder and mistaken identity in a Manhattan apartment building is a rollicking and delectable read by a New York Times bestselling author People A teacher at a fancy Manhattan preschool Nancy Stern spends her days cleaning spills moderating bathroom breaks and preventing that one kid in the back of the room from eating glue With America s precious future in her hands Nancy rises to the occasion but sometimes she yearns for something a little more glamorous Meanwhile another woman by the name of Nancy Stern has moved into her apartment building and as if the constant mail mix ups aren t annoying enough every mistaken delivery and misdirected message reminds her that the other Nancy Stern is outshining her by far That pile of exclusive party invitations spilling out of her mailbox Not for her The stunning coat that s arrived straight from the cleaners Not a chance And that smooth voice on the other end of the line calling to ask Nancy out on a blind date Now that is something the penthouse floor Nancy Stern doesn t have to find out about But while her night out with the hunk stirs up a romance The other Nancy gets murdered And suddenly the real identity of not just the killer but the intended victim is a mystery in desperate need of solving Very funny When teacher Nancy accepts a blind date meant for the other Nancy things rapidly spiral out of control Murder and mayhem follow all in Heller s trademark witty and entertaining style
