Understanding Robert Musil Allen Thiher,2009 Deft analysis of the fiction theater and essays of the author of The Man without Qualities In this critical

introduction to the major works of Austrian modernist writer Robert Musil 1880 1942 Allen Thiher offers deft analysis of Musil's short fiction, theater, and essays and his major novel *The Man without Qualities*. Thiher maps Musil's development as a writer illustrating how his work evolved in response to catastrophic historical events such as World War I, the collapse of the Austro-Hungarian Empire, and Hitler's seizure of power. From this historical context, Thiher traces how Musil began his career by writing a prescient first novel about ideological developments in German culture and at the same time a doctoral thesis on scientific epistemology. Following his service in World War I, Musil began to view writing as his vocation, and during this early period in his literary career, he produced short fiction, plays, and some of the most interesting essays on politics, ethics, and literature to be published during the Weimar era. In exploring these writings as well as *The Man without Qualities*, a work left unfinished upon Musil's death in exile during World War II, Thiher's study plumbs the depths of Musil's ambition and accomplishments and presents a concise interpretation of the lasting significance of the writer's interrogations of the foundations of modern European culture.

Blood in the Streets Dion Baia, 2018-12-04 The year is 1976. Veteran New Haven homicide detective Frank Suchy has finally learned to cope with the demons in his life and the daily pressure of the job being exposed to every manner of death that could possibly befall someone all the while celebrating his third year of sobriety. But when his best friend's child is brutally murdered in broad daylight outside a downtown shopping mall, his world begins to deteriorate, bringing back the nightmares that he thought were locked away long ago. Recollections of his brief friendship with rock singer Jim Morrison, who he befriended at the 1967 New Haven concert where the singer was arrested onstage and all the other terrible memories he had worked so hard to suppress come pouring back. To make matters worse, there are external forces that threaten Detective Suchy's wellbeing: Pressure from bureaucrats and the political elite to curtail any exposure of the case to the public in the wake of New Haven's recent massive Urban Renewal Project and the simmering racial and social divide between the minority communities against the police department in particular send Detective Suchy over the edge. He spirals out of control in a desperate race against time to solve this horrendous case, hoping to somehow redeem his soul and the city's for that matter, even if it means laying down his own life in the process. What Detective Suchy eventually uncovers is the seedy, horrifying underbelly of the 1970s.

Troubling The Angels Patricia A Lather, Christine S Smithies, 2018-03-14 Educator Patti Lather and psychologist Chris Smithies observed and chronicled support groups for women diagnosed with HIV. Whether black, Latina, poor, or middle class, the women in these groups share the common bond of living with HIV/AIDS and they describe how it affects their lives in terms full of practical reality and moving poignancy as they fight the disease, accept, reflect, live, and die with and in it.

Spilling the Beans in Chicanolandia Frederick Luis Aldama, 2010-01-01 Since the 1980s, a prolific second wave of Chicano writers and artists has tremendously expanded the range of genres and subject matter in Chicano literature and art.
