What Comes After Steve Watkins:

Thirsting for Lemonade Heather Taylor Johnson, 2013-04 **Multiple Personality** Ray Aldridge-Morris, 1991 Multiple personality syndrome is being diagnosed and treated in the United States in ever increasing numbers Indeed it is alleged that the incidence of this bizarre and striking disorder has reached epidemic proportions Clinician researchers report each seeing individually more than 100 patients whose minds have split into as many as 60 alter egos Their case histories are typified by sexual and physical abuse in childhood and some have reached notoriety in films like *Eve* and *Sybil* and in criminal records like Bianchi the Hillside Strangler But does multiple personality exist This monograph takes as its point of departure the virtual absence of such patients anywhere except the U S A and even then it is a relatively small number of psychologists and psychiatrists who report the overwhelming majority of cases The book provides the first comprehensive review of the burgeoning literature from the beginning of the century to the present and covers more than 300 articles and books It should prove of interest to psychologists psychiatrists psychotherapists and social workers and is an invaluable reference for students on courses in clinical and abnormal psychology as well as to practising clinicians and social workers Following an introduction to a selection of the more notable cases a number of critical issues are examined in ensuing chapters These are devoted to problems of definition and differential diagnosis aetiology psychophysiological psychometric and experimental studies attempts at theoretical explanation and the relationship between MPS hypnosis and dissociation The author a practising clinical psychologist and lecturer in psychopathology gradually develops the hypothesis that MPS is best explained under the rubric of social role theory It is argued that MPS is a culture bound variant of hysterical psychosis occurring in individuals with high hypnotisability The tentative conclusion is that even if one accepts the reality of MPS it is unhelpful to regard it as a discrete clinical entity and it is being grossly overdiagnosed **Entertaining Tucson Across the Decades"**

Ten Thousand Campfires Rex Ellis,2012 You have probably seen Rex Ellis on TV He is constantly turning up on the box with his team of camels and his adventurous urban guests hanging on for dear life somewhere in the sandy wastes of the Red Heart maybe near Birdsville Or traversing Lake Eyre full of water and pelicans in his beloved tinny Rex lives a nomadic desert life out there that you and I can only dream about For a desert wanderer he is pretty talkative and has a mad sense of humour but when he does do his block with a recalcitrant safari guest or a stubborn camel he gets volcanic Ellis has the knack of extracting the ridiculous or the absurd essence wherever he travels He is an observer of the human condition and focuses by inclination on the farcical Perhaps his lifetime of observing outback wildlife gives him an excellent basis for a comparative study of crazy human behaviour He has always taken paying guests on his outback adventures and his colourful and varied descriptions of their shenanigans will bring great satisfaction to the superior armchair adventurer And of course every evening there is the campfire Ellis sees the campfire as the quintessence of the freedom of the outback the relaxation after a hard day s yakka the yarn spinning the chai yacking and the camaraderie that develops so easily while you all stare at the mysterious inspiring flames rather than at a mind deadening TV set This is the very essence of outback travelling and Ellis s highly emotional introduction leaves no doubt about the way he feels about

these magic evenings So folks it s still not too late If you can t get out there straightaway then read the book Ten Thousand Campfires leaves no doubt that there is still plenty of the real old fashioned Australia in the Red Heart and it is pretty easy to distinguish it from what the author refers to as the sanitized metropolitan Australia
