s a catch Strip clubs are designed and operated to give the clubs dancers and staff an unfair advantage over the customers who walk in the door Much like a casino the odds are stacked against you Here s where I come in I ve been in the middle of the strip club game for so long that I m willing to bet that I can teach you how to master it just like me It doesn t matter what you look like or how much money you spend in the club Actually spending a lot of money in the club makes it HARDER to seduce strippers but more on that later It s all about having the right attitude and working a solid game plan Over the years I have developed and perfected word for word lines and routines that I use over and over again to pull strippers out of the club and into the bedroom with minimal effort I have perfected them through rigorous testing and tweaking finally reducing them to their purest form and made them incredibly easy to learn I have helped many men experience some of the best nights of their lives in strip clubs After compiling all of my strip club secrets advice tips tactics and techniques into an informative ebook I am making it available online for the first time Take a look inside my book and see why it s the ultimate guide to stripper seduction and VIP status **The Stripper's Guide to Looking Great Naked** Jennifer Axen, Leigh Phillips, 2005-05-26 The authors interview hundreds of strippers to uncover the beauty secrets of baring it all including quick last minute tips for covering blemishes improving muscle tone and showcasing one s best features
