Rooftops Of Tehran Chapter Summaries:

Turmoil in Tehran Reg Pelham, 2022-08-01 Most Americans are familiar with the Iranian hostage crisis that began on November 4 1979 However few people are aware of the chaotic events that took place during the year and half leading up to that momentous occasion Gil Hodges a Pan Am employee tells the story of the Pan American team that in late 1977 wins a contract with the Imperial Iranian Air Force to construct and operate espionage sites along the Iran Iraq border Although the contract starts in a fairly routine manner social order within the country soon starts to break down Riots and demonstrations become more and more prevalent and soon armed Iranian soldiers are required to ensure the employees can get to and from work safely At the height of the protests more than 10 percent of the country s population was in the streets of most major cities A prominent French newspaper called it the largest single demonstration in history As things get worse Pan Am executives in New York and those in Florida are convinced that only American money can save the team if the shah is overthrown With no guarantees that it will work a plan is formulated to smuggle a large sum of money into the country This money would be used to buy the teams freedom if necessary The situation takes an auspicious turn when a Pan Am team member jeopardizes all their lives over an Iranian woman that he loves but is forbidden to marry An unlikely alliance is formed including the in country Pan Am team their wives friendly followers of the Ayatollah Khomeini and a cabbie who had been Gil s driver for over a year This group was a part of a risky plan to save the Americans from a hostage situation or even death

Life as Politics Asef Bayat, 2013-05-01 Prior to 2011 popular imagination perceived the Muslim Middle East as unchanging and unchangeable frozen in its own traditions and history In *Life as Politics* Asef Bayat argues that such presumptions fail to recognize the routine yet important ways in which ordinary people make meaningful change through everyday actions First published just months before the Arab Spring swept across the region this timely and prophetic book sheds light on the ongoing acts of protest practice and direct daily action The second edition includes three new chapters on the Arab Spring and Iran s Green Movement and is fully updated to reflect recent events At heart the book remains a study of agency in times of constraint In addition to ongoing protests millions of people across the Middle East are effecting transformation through the discovery and creation of new social spaces within which to make their claims heard This eye opening book makes an important contribution to global debates over the meaning of social movements and the dynamics of social change

Revolution of Things Kusha Sefat, 2023-05-23 An exploration of the ways that shifting relations between materiality and language bring about different forms of politics in Tehran In *Revolution of Things* Kusha Sefat traces a dynamism between materiality and language that sheds light on how the merger of the two permeates politics To show how shifting relations between things and terms form the grounds for different modes of action Sefat reconstructs the political history of postrevolutionary Iran at the intersection of everyday objects and words Just as Islamism fashioned its own objects in Tehran during the 1980s he explains tyrannical objects generated a distinct form of Islamism by means of their material

properties everyday things from walls to shoes to foods were active political players that helped consolidate the Islamic Republic Moreover President Rafsanjani s liberalization in the 1990s was based not merely on state policies and post Islamist ideologies but also on the unlikely things including consumer products from the West that engendered and sustained liberalism in Tehran Sefat shows how provincial vocabularies transformed into Islamist and post Islamist discourses through the circulation of international objects The globalization of objects he argues was constitutive of the different forms that politics took in Tehran with each constellation affording and foreclosing distinct modes of agency Sefat s intention is not to alter historical facts about the Islamic Republic but to show how we can rethink the matter of those facts By bringing the recent material turn into conversation with the canons of structural analysis poststructuralist theory sociolinguistics and Middle East studies Sefat offers a unique perspective on Iran s revolution and its aftermath *Sapphic Love Trilogy* By Salar Bil Salar Bil, In a time of rapid change and global challenges understanding today s world is more crucial than ever In his first novelette Sapphic Love Salar Bil blends analysis memoir and reflection to explore the Iranian queer experience With clarity and depth he invites readers of all backgrounds to rethink assumptions and engage with the deeper impact of our actions Join him in this powerful trilogy and discover insight awareness and the courage to navigate our complex times

Until We Are Free Shirin Ebadi, 2016-03-03 POWERFUL AND SOMETIMES SHOCKING SUNDAY TIMES In this powerful book Dr Shirin Ebadi Iranian human rights lawyer and activist tells of her fight for reform inside Iran and the devastating backlash she faced after winning the Nobel Peace Prize Having fought tirelessly for democracy equality before the law and freedom of speech Ebadi became a global voice of inspiration Yet inside her own country her life has been plagued by surveillance intimidation and violence Until We Are Free tells shocking stories of how the Iranian authorities eventually forced her into exile Her sister and daughter were detained her husband was enmeshed in an espionage plot with another woman her Nobel medal was stolen from her safety deposit box and her offices in Tehran were ransacked An illuminating depiction of life in Iran today as well as the account of Ebadi s personal struggle to uphold her work and keep her family together Until We Are Free is ultimately a work of hope and perseverance under circumstances of exceptional difficulty **Transnational Associations** ,2001 **Rooftops of Tehran** Sholeh Wolpe, 2008 **Rooftops of Tehran** ,2009 An unforgettable debut novel of young love and growing up in an Iran headed toward revolution In a middle class neighborhood of Iran s sprawling capital city 17 year old Pasha Shahed spends one perfect stolen summer with his beautiful neighbor Zari until he unwittingly guides the Shah s secret police to their target Zari s intended The violent consequences awaken Pasha and his friends to the reality of life under the rule of a powerful despot and lead Zari to make a shocking choice from which Pasha may never recover
