ROUTE 66

• ROUTE 66 •

Route 66 is an iconic highway that stretches across the USA. It begins in downtown Chicago and ends at the Santa Monica Pier in California. The road was first started in 1926. Many songs, films and books have been written about Route 66. It is a true American icon.

The route became famous during the Great Depression in the 1930s. About 250,000 people travelled west along Route 66 to California to escape the Dust Bowl, an area in the south with no water and many dust storms.

About two weeks is needed to go on an all-American road trip of Route 66 with stops and lots of sightseeing. If you want to travel without stops and driving as fast as you can, then you will need no longer than 3 days. In fact, the original Route 66 no longer exists, but about 80% is still drivable.
