The Battle for the Trinity Donald G. Bloesch, 2001-07-11

In The Battle for the Trinity Dr Bloesch tackles the controversial issues surrounding the questions of God language and their potential as one of the most

divisive issues facing the church in the twentieth century Should God be addressed as Father Mother or Parent should Jesus be referred to primarily as the Son of God or the Child of God did God really reveal himself definitively in the person of his Son Jesus Christ Bloesch contends that how we speak about God embodies the very core of Christianity and how we ultimately understand the biblical and historical meaning of the Trinity itself The debates surrounding the Doctrine of God are many and Bloesch urges the church to respond to the concerns of women that the sacred carries both masculine and feminine dimensions Bloesch emphasizes that the God of the Bible is not described in masculine terms exclusively and we err in our failure to recognize it If Christianity is to remain genuinely Christian these controversial issues must be dealt with in such a manner that will preserve the full historical and biblical understanding of the Trinity

The Last Things Donald G. Bloesch, 2010-03-23 In *The Last Things* Donald G Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church *The Last Things* is not just a review of past Christian eschatology but a fresh articulation of the grace and glory of God yet to be consummated The triumph of the grace of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and the promise to renew the life of the church universal today

Reforming the Monastery Greg Peters, 2013-11-12 Richard Froude wrote in 1833 to John Henry Newman that the present state of things in England makes an opening for reviving the monastic system Seemingly original words at the time Yet monasticism is one of the most ancient and enduring institutions of the Christian church reaching its zenith during the High Middle Ages Although medieval monasteries were regularly suppressed during the Reformation and the magisterial Reformers rejected monastic vows the

existence of monasticism has remained within the Reformation churches both as an institution and in its theology This volume is an examination of Protestant theologies of monasticism examining the thought of select Protestant authors who have argued for the existence of monasticism in the Reformation churches beginning with Martin Luther and John Calvin and including Conrad Hoyer John Henry Newman Karl Barth and Donald Bloesch Looking at the contemporary church the current movement known as the New Monasticism is discussed and evaluated in light of Protestant monastic history

Sider,2005-04-10 Do you want to make a true difference in the world Dr Ron Sider does He has since before he first published *Rich Christians in an Age of Hunger* in 1978 Despite a dramatic reduction in world hunger since then 34 000 children still die daily of starvation and preventable disease and 1 3 billion people worldwide remain in abject poverty So the professor of theology went back to re examine the issues by twenty first century standards Finding that Conservatives blame morally reprehensible individual choices and Liberals blame constrictive social and economic policy Dr Sider finds himself agreeing with both sides In this new look at an age old problem he offers not only a detailed explanation of the causes but also a comprehensive series of practical solutions in the hopes that Christians like him will choose to make a difference **The Community of the King** Howard A. Snyder,2010-01-28 Howard A Snyder probes the relationship between the kingdom of God and our daily experience of the church *Exploring the Future of Christian Monasticisms* Greg Peters,2020-01-15 The institution of monasticism in the Christian Church is in general decline at least in so called first world nations Though there are many reasons for this monastic leaders are confronted by the reality of fewer communities monks and nuns nonetheless At the same time many younger Christians are rediscovering the rich heritage of the monastic tradition Though they themselves might not be called to join a traditional monastery they are eager to appropriate monastic practices in their own lives This had led to a movement known as the new monasticism or secular monasticism Despite lacking a unified vision and any central organization these new secular monastics are attempting in their own ways to carry on the tradition and practices of Christian monasticism As well there is a movement within historical Christian monasteries to pour new wine into old wineskins Traditional forms of monasticism are also generally flourishing in developing nations breathing new life into monasticism This volume looks at the current monastic landscape to assess where monasticism stands and to imagine ways in which it will grow in the future leading not only to a renewed Christian monasticism but to new monasticisms *One Heart and Soul* Trevor John Saxby,2006 Trevor Saxby s book on intentional Christian community for today combining gritty challenging teaching with people s own stories of life in community **What Is Truth?** James Emery White,2006-09-01 **SEARCHING FOR ABSOLUTES IN A POSTMODERN WORLD** In this postmodern age truth especially religious or moral truth

Snyder,1997-03-17 In Signs of the Spirit the author analyzes church renewal from a historical perspective focusing especially on the Montanist Pietist Methodist and Moravian movements Professor Snyder then synthesizes the lessons of church renewal in history and applies them in such a way that inspires a renewal strategy for the local church today Scripture in the Theologies of W. Pannenberg and D.G. Bloesch Frank M. Hasel,2004-03-01 Scripture has always played an important role in Christian theology This study provides an issue oriented overview of the concepts of Scripture in Protestant theology from the 16th century Reformation onward It then sets forth the concepts of Scripture in the theologies of two contemporary systematic theologians W Pannenberg and D G Bloesch It analyzes compares and evaluates the theological and anthropological presuppositions that have influenced their concept of Scripture Despite fundamentally different starting points and other significant distinctions Pannenberg and Bloesch reveal surprising similarities This seems to suggest that for both the concept of Scripture is determined ultimately by presuppositions that are derived and shaped extra scripturam *The People Are Kind* Bill R. Douglas,2024-12-30 What religion the newly opened recently indigenous territory of Iowa would become was a matter of concern to German Lutherans Austrian and French Catholics and New England Congregationalists But their funding proved no match for the myriad of choices Iowans had Methodists were everywhere and Inspirationists Freethinkers and Meskwakis all added to the chorus suggesting that hegemony was not a possibility and cooperation a better strategy Religious Iowans Black Hawk Amelia Bloomer Annie Wittenmeyer James B Weaver Billy Sunday John R Mott Luigi Ligutti Henry A Wallace Ann Landers Harold Hughes and Robert Ray all make appearances How did Sioux City pastor George Haddock get his name on streets in California How did Rev George Slater contribute to civil rights Which state was the go to for journalists looking for an American religious consensus How did Dubuque seminary professors feel about nuclear weapons How did Sr Pat Farrell parry Vatican accusations of heresy The answers to those and many other questions the reader never thought to ask lie within With humor incisive analysis and sympathy Douglas paints a tapestry that contributes not just to religious history but

argues for its importance to the history of Iowa *Has God Said?* John Douglas Morrison, 2006-03-01 Has God said Has God actually spoken declared himself and his purposes to us Historically the Christian faith has affirmed God's redemptive revelatory speaking as historical contentful redemptive centrally in Jesus Christ and under Christ and by the Spirit in the text of Holy Scripture But in the past three centuries developments in Western culture have created a crisis in relation to historical divine authority The modern reintroduction of destructive dualisms cosmological and epistemological via Descartes Newton Spinoza and Kant have injured not only the physical sciences e.g. positivism but Christian theology as well The resulting eclipse of God has permeated Western culture In terms of the Christian understanding of revelation it has meant the separation of God from historical action the rejection of God's actual self declaration and especially in textual form Holy Scripture After critical analysis of these dualistic developments this book presents the problematic effects in both Protestant Schleiermacher Bultmann Tillich and Roman Catholic Rahner Dulles theology The thought and influence of Karl Barth on the nature of Scripture is examined and distinguished from most Barthian approaches The effects of dualistic Barthian thought on contemporary evangelical views of Scripture Pincoff Fackre Bloesch are also critically analyzed and responses made Helm Wolterstorff Packer The final chapter is a christocentric multileveled reformulation of the classical Scripture Principle via Einstein Torrance and Calvin that reaffirms the church's historical identity thesis that Holy Scripture is the written Word of God a crucial aspect of God's larger redemptive revelatory purpose in Christ [Catalog of Copyright Entries.
