Quicklet on West with the Night by Beryl Markham (CliffNotes-like Summary) Laura Brestovansky, 2012-02-24 ABOUT THE BOOK I've always been interested in women in history particularly those of the 20th century Somehow though I had never heard of Beryl Markham until I came across her book West With the Night about a year or so ago The cover's engaging portrait of Markham looking patrician and quite beautiful in her aviator helmet immediately drew my attention As I began to read the account of her life I was quickly hooked by her fascinating description of life in British East Africa today known as Kenya in the early 1900s Imagine taking off in a two seater plane and narrowly avoiding a zebra My impression was confirmed the more I read Markham was clearly a woman who lived in a completely different world than I do in 21st century America She bred championship racehorses She flew planes into remote parts of Africa And she managed to write about it without a hint of boasting Her writing is simple and honest No less a writer than Ernest Hemingway a friend of Markham's praised the book as bloody wonderful in a letter to Maxwell Perkins as cited on the back cover of the 1983 edition of West with the Night Markham's account showed me that life is meant to be lived to the full Taking risks and trying new things is what gives life its savor Telling others about one's adventures allows them to savor them too MEET THE AUTHOR Laura Brestovansky has more than 20 years of writing editing proofreading experience including blogs e books articles brochures press releases and more Currently she is also the public relations liaison for Caregivers Professional Resources www.cprmich.com whose duties include writing the CPR Airway blog She has written on a number of topics including health care home improvement travel religion and social issues She graduated with honors from Eastern Michigan University majoring in

Summary of Beryl Markham's West with the Night Everest Media,2022-04-25T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I would like to begin at the beginning but there are a hundred places to start and a hundred names I can begin by choosing one of them not because it is first or of any importance in a wildly adventurous sense but because it is turned uppermost in my logbook 2 Nungwe was a town that lay west and south of Nairobi on the southernmost rim of Lake Victoria Nyanza It was barely alive when I went there in 1935 It was a Mecca for gold miners who had begun to dig there 3 Nairobi was a gateway to a new country and it was growing quickly It was a place of shillings and pounds and land sales and trade extraordinary successes and failures Its shops sold whatever you needed to buy 4 Africa is a land full of mysteries wildness and heat It is a photographer's paradise a hunter's Valhalla and an escapist's Utopia It is what you want it to be and it withstands all
