

COURSE OUTLINE

Business 2257: Accounting and Business Analysis

This course presumes no prior knowledge of business administration. It is required by other faculties for some of their programs and is the only university prerequisite for entrance into the Undergraduate Business Program (HBA) at Ivey Business School.

COURSE TIMETABLE

The course timetable can be found on the Business 2257 OWL site.

BUSINESS 2257 PREREQUISITE

The prerequisite for Business 2257 is five credits. Unless you have either the requisites for this course or written special permission from the department to enrol in it, you may be removed from this course and it will be deleted from your record. This decision may not be appealed. You will receive no adjustment to your fees in the event that you are dropped from a course for failing to have the necessary prerequisites.

COURSE OBJECTIVES

1. Introduce students to the current methods used in developing financial statements.
2. Provide students with an introduction to the analytical management tools that assist business decision-making.
3. Increase problem-solving capabilities.
4. Provide a common base of knowledge for the first year of the Undergraduate Business Program (HBA).
5. Provide a foundation of business knowledge as required for various other degree programs at Western (e.g., DAN Management and Organizational Studies [MOS]).

In summary, students will leave Business 2257 better equipped for problem-solving, whether in business or other organizations. In addition, students will improve their verbal and written communication skills.

Students will understand why and how accounting principles are used to develop financial statements, learn basic analytical techniques, gain a better understanding of the workings of small business, and appreciate the difficulties involved in making decisions using incomplete or imperfect information.

COURSE STRUCTURE AND CONTENT

The course is divided into two segments: the first segment deals with the preparation of financial statements; the second segment focuses on the analysis of quantitative and qualitative data needed to make business decisions.

The Preparation of Financial Statements Segment (First Term)

International financial reporting standards (IFRS) and generally accepted accounting methods of presenting the financial condition and performance of a firm will be outlined and discussed in a series of questions, exercises,
