**The Drag Queen of Elfland** Lawrence Schimel,1997 Science fiction and fantasy short stories with gay and lesbian themes    Festivals as Reparative Gender Politics Zorica Siročić,2023-08-18 What explains the popularity and widespread appeal of numerous post Yugoslav feminist and LGBTQ festivals in the last decade This book argues that the millennial generation expresses reparative politics as a distinct type of activism through festivals Reparative political acting as identified here characteristically relies on playfulness and creativity interpretative gender dissent acceptance of organizational and programmatic messiness and hybridity belonging and positive affect The reparative politics is vital in a context that is marked by an individual and collective trauma of heteropatriarchy violent breakdown of the common state and post transitional economic precarity The book uses excerpts from programs interviews and observations collected through the multi sited ethnographic research Siro i s focus on contemporary activism in Southeastern Europe challenges the narrow geopolitical understanding of the recent feminist politics and refutes the common assumptions of a passive millennial generation Yet the book s relevance surpasses its area of study as it argues against the popular deriding of activist expressions as the merely cultural or merely aesthetic engagement In contrast the book claims that such activities urge a redefined understanding of political agency Festivals as Reparative Politics demonstrates that contemporary feminist festivals represent a distinct reformulation of contentious politics of gender whose constitutive principles can be exemplary for other types of political engagements    The Advocate ,2003-07-22 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States    *The Advocate* ,2006-05-23 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States    Body Alchemy Loren Cameron,1996 Body Alchemy Transsexual Portraits is a unique and extraordinary photographic collection by artist Loren Cameron Body Alchemy is Loren Cameron s intensely personal photo documentary of female to male transsexuals FTMs A transsexual himself Cameron brings a sensitive sophisticated insider s eye to his subject matter Using documentary style a series of before and after photographs documenting the transformation of a number of FTMs in Cameron s transsexual community his own striking self portraits and intimate autobiographical text Loren invites the viewer to experience this transformational rite of passage Loren Cameron s work strikes a warm familiar tone that invites the viewer s participation even when the subject matter is quite startling Amazon com    **The Advocate** ,1995-09-05 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States    **The First Lady of Hollywood** Samantha Barbas,2005-10-24 Hollywood celebrities feared her William Randolph Hearst adored her Between 1915 and 1960 Louella Parsons was America s premier movie gossip columnist and in her heyday commanded a following of more than forty million readers This first full length biography of Parsons tells the story of her reign over Hollywood during

**James Baldwin and the Queer Imagination** Matt Brim, 2014-09-26 The central figure in black gay literary history James Baldwin has become a familiar touchstone for queer scholarship in the academy Matt Brim's *James Baldwin and the Queer Imagination* draws on the contributions of queer theory and black queer studies to critically

engage with and complicate the project of queering Baldwin and his work Brim argues that Baldwin animates and in contrast disrupts both the black gay literary tradition and the queer theoretical enterprise that have claimed him More paradoxically even as Baldwin's fiction brilliantly succeeds in imagining queer intersections of race and sexuality it simultaneously exhibits striking queer failures whether exploiting gay love or erasing black lesbian desire Brim thus argues that Baldwin's work is deeply marked by ruptures of the unqueer into transcendent queer thought and that readers must sustain rather than override this paradoxical dynamic within acts of queer imagination

**From the Closet to the Altar** Michael Klarman, 2013 In many states advocates have taken to the courts and argued that bans on gay marriage are denials of civil rights They have followed the path of earlier civil rights advocates who also chose the court rather than the political arena as a forum to decide issues But as Klarman shows this tactic comes with clear costs Using the courts to leapfrog public opinion can actually set a cause back because court decisions generate backlashes Usually judges are neither elected nor beholden to public opinion and they are easily pegged as unaccountable elites by opponents Klarman who has examined virtually every state level judicial decision and all of the legislative attempts to overturn same sex marriage contends that the movement has in many respects not only hurt its own cause by generating populist backlash but has created a countervailing social movement that works against progressive causes on a host of other issues

*Handbook of Feminist Research Methodologies in Management and Organization Studies* Saija Katila,Susan Meriläinen,Emma Bell,2023-11-03 The Handbook of Feminist Research Methodologies in Management and Organization Studies focuses on the interlinkages between feminist theories methodologies and research methods and their practical implementation in business and management research Featuring contributions from leading scholars in the field of management and organization studies this groundbreaking Handbook analyses key theoretical texts and their methodological implications as well as topical approaches including postcolonial feminism and critical race theory This title contains one or more Open Access chapters     Language and Masculinities Tommaso M. Milani,2014-12-05 This volume showcases cutting edge research in the linguistic and discursive study of masculinities comprising the first significant edited collection on language and masculinities since Johnson and Meinhof s 1997 volume Overall the chapters are linked together by a critical analytical perspective that seeks to understand the relationships between discourse masculinities and power Whereas some of the chapters offer detailed linguistically informed critiques of the ways in which old and new expressions of masculinities are complicit in the reproduction of men s hegemonic positions of power others provide a more complex picture one in which collusion and subversion go hand in hand Contributions argue for the need for research on language and masculinities to expand its remit so as to engage with gay masculinities and unsettle gendered categories in order to consider the ways in which women transgender and intersex individuals also perform a variety of masculinities Finally unlike Johnson and Meinhof s 1997 collection this volume not only offers a wider and perhaps queerer perspective on the study of language and masculinities but also covers a broader geographical and socio cultural spectrum including work on Brazil Israel New Zealand Singapore and South Africa     **The Other Side of Paradise** Staceyann Chin,2009-04-14 Staceyann Chin has appeared on television and radio discussing issues of race and sexuality but it is her extraordinary voice that launched her career as a performer poet and activist here she shares her unforgettable story of triumph against all odds in this brave and fiercely candid memoir No one knew Staceyann s mother was pregnant until a dangerously small baby was born on the floor of her grandmother s house in Lottery Jamaica on Christmas Day Staceyann s mother did not want her and her father was not present no one except her grandmother thought Staceyann would survive It was her grandmother who nurtured and protected and provided for Staceyann and her older brother in the early years But when the three were separated Staceyann was thrust alone into an unfamiliar and dysfunctional home in Paradise Jamaica There she faced far greater troubles than absent parents So armed with a fierce determination and exceptional intelligence she discovered a way to break out of this harshly unforgiving world Staceyann Chin acclaimed and iconic performance artist now brings her extraordinary talents to the page in a brave lyrical and fiercely candid memoir about growing up in Jamaica She plumbs tender and unsettling memories as she writes about drifting from one home to the next coming out as a lesbian and finding the man she believes to

be her father and ultimately her voice Hers is an unforgettable story told with grace humor and courage
